Advents	4.19	
Baptists	18.57	
Methodists	18.56	
Universalist	18.57	
Total Expended		\$61.09

Respectfully submitted,

ROCKWOOD BERRY,

Treasurer

Report of the Superintendent of Schools

Superintending School Committee

DONALD M. BROWN	Term expires 1958
GEORGE H. BOTKA	Term expires 1959
HELEN W. HARRIS	Term expires 1960

Officers of the Committee

Donald M. Brown, Chairman

Clarence N. Gould, Secretary

To the Superintending School Committee and Citizens of
the Town of Livermore:

I herewith submit my annual report of the conditions,
progress, and needs of the schools of Livermore.

Physical Plants

The buildings generally are in better than average condition. Minor repairs have been made at all buildings, and a new roof was put on the annex at Riverside. The heating plant and water system at Riverside were completely overhauled before school opened in September, and at the other two schools, the chimneys and furnaces were thoroughly cleaned so that they appear to be in very good condition. Because of the danger of damage to the furnaces by loss of water at Brettuns and North Livermore, automatic valves were installed. In case the water gets low now the furnaces will be automatically shut off, and there will be no danger of burning out the furnace.

Furniture

Another room was provided with new desks and chairs last fall as a part of the program initiated several years ago. Now only three rooms remain, and the budget anticipates furnishing one of those rooms this year. Deliveries on school furniture have been extremely slow during the past year, and it is quite likely that the same will be true during the coming year. For that reason, it is hoped that we can place our order immediately after town meeting.

Teachers

Three teaching positions were open at the end of school last June. Miss Melvin resigned her position at Brettuns to accept a position at Jay, Mrs. Newcomb at North Livermore left the profession, and Miss Southard left before the end of the year. Mrs. Elizabeth Boothby, a graduate of Farmington Teachers' College, replaced Miss Melvin; Mrs. Fairbanks transferred from Riverside to fill the position at Brettuns; Mrs. Doris Gould, a graduate of Bates College with teaching experience in Maine and New Hampshire, replaced Mrs. Fairbanks; and Miss Clydelle Mann a graduate of Farmington Teachers' College with teaching experience in Augusta, was engaged to fill the position left vacant by Miss Southard. All of the new teachers are doing highly satisfactory work, and the progress of the children under their direction is all that we could have hoped.

Reading

Our reading program for the primary pupils is taking shape, and already, there are evidences of improvement. I regret to report that we are not able to do all that we might desire for the children in the intermediate and upper grades, but organized efforts on remedial work are being made.

Promotions and Rank Cards

Our program of continued progress instead of the

traditional yearly promotions is a decided improvement. The teachers are generally enthusiastic, and the majority of the parents are beginning to understand it and recognize its real value. I am sure that the children will benefit by having their programs geared to their individual abilities and learning rates.

The ranking system is also an improvement. Experience shows that the fairness of ranking each pupil on his or her achievement as compared to his or her own ability serves as an inspiration far more valuable than the false reports of unfair and impossible competition have ever produced.

Sub-Primary

Your committee has voted to return the sub-primary to the school program. I congratulate the members of the committee on their wisdom. The children will again have the benefit of that very important training which was taken away from them some years ago. In addition to the educational advantage to the children, the town stands to gain some \$3,000 in state subsidy from having the sub-primary.

Transportation

Although our transportation is still a problem, it is much better than it was last year. The buses start later in the morning and return earlier in the afternoon than they did previously, but the school day is still long for the small children who live at the ends of the bus lines. Livermore probably should have another large bus, but the saving of time would be so slight that I do not feel that I can recommend the added expense. If we had one consolidated school located in the geographical center of the town, a second bus would nearly halve the travel time, but with the schools located as they are, the time would not be enough shorter to justify the extra cost.

Finances

An examination of the financial statement for the past

year shows balances of \$9,903.00 in the school maintenance account and \$8,142.04 in the high school tuition account. The balance in school maintenance comes largely from an increase in state subsidy. At the time the books closed last year, the old law was in force, and under the provisions of that law, Livermore would have received \$23,966.66. When the new law was passed, the subsidy was increased to \$32,142.90. The balance in the high school tuition account is the result of two contributing factors. Prior to 1951, the money for high school tuition had to be raised as a separate item because there was a special state subsidy for that tuition. Again, in order for a town to qualify for equalization payments at that time, the school tax rate had to exceed the average school tax rate for all of the cities and towns of the state. In order to be sure of receiving equalization payments, towns generally over-appropriated for high school tuition and held the large balances thus accumulated to be used in case of "hard times." In order to allow for yearly increases in tuition rates and to be sure of qualifying for equalization, the towns figured tuition appropriations on the basis of the estimated number of students multiplied by high estimates of the cost per pupil for the coming year. Although the 1951 law made high school tuition a school maintenance item with the same subsidy percentage as other maintenance expenditures with no relationship to school tax rates, the method of budgeting for tuition has been continued in many towns. In this town, our budget for tuition for next year is based on an estimate of actual payments for the remainder of the current school year and the first half of next year as indicated below:

Tuition for Fiscal Year 1958-1959

Last Half Current Year

School	Students	Half-Year	
		Cost	Cost
Livermore Falls	58	\$154.23	\$8,945.34

Leavitt	29	150.00	4,350.00
Jay	5	85.00	425.00

First Half Next Year

School	Students	Half-Year	
		Cost	Cost
Livermore Falls	48	\$165.00	\$7,920.00
Leavitt	23	170.00	3,910.00
Jay	4	65.00	260.00
Grade 8	30	165.00	4,950.00
			Total Cost
Livermore Falls			\$16,865.34
Leavitt			8,260.00
Jay			685.00
Grade 8			4,950.00
Total High School Tuition Budget			\$30,760.34

Deducting the current balance of \$8,142.04 from the estimated cost of tuition for the last half of the present year and the first half of next year, \$30,760.34 leaves \$22,618.30 to be raised for the town. By this method of computation, the entire balance should be consumed. Another year, I plan to put the high school into the school maintenance account where it belongs and make the appropriation for that item a part of the appropriation for school maintenance.

I extend sincere thanks to the teachers, pupils, and parents as well as the members of the school board, the town officials, and citizens of the town for the splendid support given to the school program.

Respectfully submitted,

CLARENCE N. GOULD

REPORT OF THE SPECIAL COMMITTEE TO STUDY SCHOOL ACCOMMODATIONS

Your Committee has continued work on the town and school census in order to have the necessary information to supplement a study of school population and building trends which must be a guide to the selection of a school site when the town actually initiates a school building program.

If nothing unusual happens to alter the present rate of growth in our school population, existing facilities can be made to meet school needs for another two years. At the end of that time, however, everything seems to indicate that some type of building program will be absolutely necessary.

If Livermore can take advantage of the provisions of the newly enacted Sinclair Law by joining with other towns in the formation of a School Administrative District, over half of the cost of a new school building will be paid from special state subsidy for building purposes. Therefore, your

committee is making a study of the possibilities of joining with other towns in the formation of such a district.

One such district is already in the process of organization. The towns of Albion, Freedom, Knox, Waldo, Brooks, Monroe, Thorndike, Jackson, Unity, Troy, Montville and Liberty have made an agreement to form a district and have formulated plans for the necessary building programs. They are waiting now for their formal application to be processed and given formal approval by the School District Commission. During the coming year, your committee plans to keep informed of the workings of that school district in order to have something specific to report and some definite recommendations to make at the annual town meeting next year.

It is now recommended that the committee be continued for the purpose of gathering facts regarding the workings of the new law as it affects an administrative district and report the findings together with recommendations at the town meeting in 1959.

Report of

Public Health Nursing Service

LIVERMORE—1957

Every family should be under the care of a family physician. Because of the changing needs due to advance in medical knowledge several members of a team are needed to maintain good health for all individuals in the community.

One Child Health Conference was held in Brettuns. Because of the small attendance here, those needing to return to complete immunizations attended the regularly scheduled conferences at the Office of the Public Health Nurse the first Thursday of each month to which all pre-school children are invited.

Many clinics provided through the Bureau of Health for consultation and diagnostic services, and through which treatment may be provided when necessary, have given help to children from this town with speech, cardiac, pediatric, orthopedic, mental health and other problems.

All children have had the opportunity to be protected by immunization against whooping cough, diphtheria, tetanus, smallpox and polio. An opportunity will be given for all people up to forty-five years to receive polio vaccine during January and February 1958.

Home visits are made to encourage good public health measures, medical supervision and to help interpret the doctors' recommendations.

Early and continuous care through the pre-natal period is the best insurance for a healthy child. Anyone unable to have a private physician is able to register at a hospital clinic.

Services for the blind have given help with vision problems in many instances to children and adults who otherwise might have been unable to have necessary care.

In your town many people have assisted the public health nurse in her work. To all these many thanks.

Respectfully submitted,

ELAINE W. MURRAY, R.N.

Public Health Nurse

Librarian's Report

1957-1958

The \$200.00 voted by the Town, last year, was used in part for operating expenses and the purchase of 55 books. A 14 volume set of The Pictured Knowledge Encyclopedia was also bought.

Due to the change of the school schedule, most of these are Juvenile books. In lieu of Book Fine money, 10 used books have again been accepted.

The Food Sale held at the library on March 23 netted \$17.20. Twenty books were bought with the money.

Neighbors and friends gave 74 books, also The Universalist Leader, Steelways, Tractor News, Korean Survey Harvester World, Time and Our Dumb Animals magazines.

The donors are as follows:

The American Institute of Social Science

The Dorothy H. and Lewis Rosenstiel Foundation

Mrs. Marguerite Denny, Mrs. Gertrude Hayford, Miss Nina Bradford, Miss Arline McClure, Melvin Timberlake, Harvard Hurlburt, Paul Johnson of Allston, Mass., Mrs. Guy Sanders and Mrs. Alberta Poland.

The following books have been added to the "In Memoriam" book shelf:

Presented by Guy Sanders—In Memory of his father, C. Pitt Sanders and his aunt, Martha Sanders Colman—The Caine Mutiny.

Presented by Katharine Boothby Sanders—In Memory of Frank and Carrie Boothby—The Royal Road to Romance.

Presented by the Universalist Ladies Circle—5 books of records from February 14, 1861 to the year of 1950.

Presented by Mrs. Alberta Denny Poland—In Memory of "Nana"—The Golden Journey.

Presented by Mrs. Julia Pike—In Memory of her husband, Roy E. Pike—General "Ike" and The Embers on the Hearth.

The library was open, every Wednesday afternoon, from 1:15 to 4:15 excepting January 2, February 20, April 17, December 11 and December 25.

Mrs. Ruth Turner assisted in all library work.

Plans are being made for an extension on the rear of the building. Substantial checks have been received from Mr.

Henry B. Chase of Chase, Alabama and from the Fort Halifax Packing Company toward the project.

Mr. Charles M. Keith, a former resident of Livermore and now of Lewiston has presented the Town of Livermore the Guy Briggs Collection of bird's eggs, minerals, many varieties of stuffed birds, specimens of coral and sea shells, antique guns and swords to be placed in the library. Many of Miss Florence A. Nelson's books on travel will be displayed also.

STATE DEPARTMENT OF AUDIT

Augusta

October 29, 1957

Board of Selectmen
Livermore,
Maine

Gentlemen:

In accordance with Chapter 91, Section 142 of the Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended February 1, 1957.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and was conducted by Auditor M. E. Libby of the State Department of Audit. The audit analysis was on a basis consistent with that of the preceding year, and included all procedures which were considered necessary in the circumstances.

Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town were appropriately handled, with such exceptions as may be noted in the accompanying comments.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO

State Auditor

MAN/emb

COMMENTS

TOWN OF LIVERMORE

February 2, 1956 to February 1, 1957

* * * *

An audit of the financial records maintained by various officers of the Town of Livermore has been completed for the fiscal year ended February 1, 1957.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

The fiscal year's operations showed that available funds exceeded expenditures by \$224.20, per the following summary:

Departmental Operations:	
Unexpended Balances	\$912.27
Overdrafts	688.07
	<hr/>
Net Unexpended Balances	\$224.20

In accordance with a vote at the annual town meeting, overdrafts and unexpended balances were carried forward to the ensuing year. However, in the absence of any vote regarding overlay, supplemental taxes, costs on tax liens and abatements these balances were lapsed to surplus.

Assets

The cash balance of \$10,196.88 was reconciled with a statement furnished by the Livermore Falls Trust Company, Livermore Falls, Maine. The tax collector's petty cash fund of \$50.00 was verified by actual count.

Other assets were reviewed and verification undertaken to determine their correctness at the year end. Unpaid accounts were reconciled with the balances shown on the records.

Liabilities

General fund liabilities representing tax overpayments amounted to \$48.40 at the year end.

Reserves and Surplus

The appropriation accounts reflect a net overdraft of \$5,985.05 at February 1, 1957. This amount represents various operating account balances and overdrafts that are carried forward to the ensuing year in accordance with legal requirements and by vote of the townspeople,

The excise tax reserve of \$2,849.22 represents the unused portion of current and prior years' collections which are carried forward for future disposition.

The unappropriated surplus amounted to \$22,974.26, an increase of \$273.90 for the year. This change was occasioned principally by the excess of available funds over expenditures.

Trust Funds

The trust fund principals totaled \$20,377.36 and unexpended income amounted to \$1,249.46 at the year end. The principals and income are represented by time deposits in various banks and U. S. Savings Bonds.

Departmental Accounts

The review of departmental operating accounts revealed an increase of \$9,493.60 in funds raised by taxation, as compared with the preceding year. An increase in the education account and decreases in various other accounts were the principal factors contributing to the change.

The departmental balances carried forward to the ensuing year decreased by \$10,509.65, as compared with the balances at the start of the year. The decrease was reflected principally in the highway and town owned property accounts.

General

The examination of the town clerk's records, as pertained to financial operations, revealed that the townspeople authorized the use of excess tax revenue to reduce the tax levy. The transfer from the town owned property account to the fire department account was also voter authorized.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and canceled checks were examined for a selected period. Excise tax collections were verified with the copies of the receipts retained by the collector. Trust fund transactions were reviewed.

Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions had been properly administered. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, the accompanying statement of financial condition and supporting information present fairly the financial position of the town on February 1, 1957, and the results of its operations for the year then ended.

White Pine Blister Rust Control	200.00
	<hr/>
	\$67,845.64

Warrant for Town Meeting

To P. M. Brown, Constable of the Town of Livermore,
County of Androscoggin, and the State of Maine,

Greeting:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in Town affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said Town of Livermore, on the 8th day of March, A.D. 1958, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2, Chap. 70 of the Public Laws of 1921, of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor, for three years, Town Treasurer, Tax Collector, and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:00 P.M.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where they occur and raise necessary sums of money to cover overdrafts. No overlay to be put into Unappropriated Surplus account.

Art. 5. To see if the Town will vote to have the

Auditor recover from Surplus account, amounts necessary to make this balance agree with Town books.

Art. 6. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year, or act anything in relation thereto.

Budget Committee recommends \$1,700.00

Art. 7. To see what sum of money the Town will vote to raise for the Support of the Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$6,800.00

Art. 8. To see what sum of money the Town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$900.00

Art. 9. To see if the Town will vote to have the Livermore Falls Fire Company answer fire calls, the same charge to be made as is charged the Town of Jay or act anything in relation thereto.

Art. 10. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fire fighting equipment and answer fire calls or act anything in relation thereto.

Art. 11. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee and the selectmen, and to appoint one member to the committee or act anything in relation thereto.

Budget Committee recommends \$4,000.00

Art. 12. To see what sum of money the Town will vote

to raise for the care of Summer Roads & Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$4,000.00

Art. 13. To see what sum of money the Town will vote to raise for Winter Roads & Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$7,000.00

Art. 14. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for the care of ways, highways, and bridges) under the provisions of Sec. 25 and 29, Chap. 30 R.S., 1944 as amended.

Budget Committee recommends \$1,200.00

Art. 15. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Women's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends \$50.00

Art. 16. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends \$200.00

Art. 17. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine in accordance with the provisions of Chapter 91, Section 108 of the R.S. of 1954.

Budget Committee recommends \$75.00

Art. 18. To see what sum of money the Town will vote to raise for Care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$100.00

Art. 19. To see if the Town will vote to raise the sum of \$150.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the State Bureau of Health for local service, or act anything in relation thereto.

Budget Committee recommends \$150.00

Art. 20. To see what sum of money the Town will vote to raise for Civil Defense Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$50.00

Art. 21. To see what sum of money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$2,800.00

Art. 22. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$700.00

Art. 23. To see what sum of money the Town will vote to raise for School Maintenance for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$36,800.00

Art. 24. To see what sum of money the Town will vote

to raise for Salary of School Committee or act anything in relation thereto.

Budget Committee recommends \$75.00

Art. 25. To see what sum of money the Town will vote to raise for Repair of School Houses for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$524.00

Art. 26. To see what sum of money the Town will vote to raise to co-operate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with R.S. of 1954, Chapter 36, Sec. 69 or act anything in relation thereto.

Budget Committee recommends \$200.00

Art. 27. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 28. To see if the Town will vote to charge $\frac{1}{2}$ of 1% per month or fraction thereof on all unpaid taxes as of December 15, 1958, the date on which they are due and payable or act anything in relation thereto.

Art. 29. To see if the Town will vote to authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chap. 5 of the R.S. and all acts amendatory thereof and additional thereto.

Art. 30. To see if the Town will vote to authorize its Selectmen to sell such tax lien property as they deem

advisable at Public Auction, except that which they see fit to sell to its former owner.

Art. 31. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 32. To see if the Town will vote to close the Town books as of January 1 instead of February 1 or act anything in relation thereto.

Art. 33. To see if the Town will vote to abolish the Secret Ballot Method of voting for its Town Officers (Town Clerk, Selectmen, Assessors, Overseers of Poor, School Committee, Treasurer, and Tax Collector) or act anything in relation thereto.

Art. 34. To see if the Town will vote to have Street Lights installed near the Lake Shore Motel or act anything in relation thereto.

Art. 35. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Art. 36. To see if the Town will vote to ratify the transfer of the unexpended balance of \$262.29 of the money raised under Special Article #27 for repairs at the Riverside School in 1956 to the School Repair Account.

The Selectmen hereby give notice that they will be in session for the purpose of correcting the list of voters at the Town Office on February 22 and March 1, 1958 from 2:00 P.M. until 5:00 P.M.

Auditor's Report

COMMENTS

TOWN OF LIVERMORE

February 2, 1957 to February 1, 1958

An audit of the financial records maintained by the various officers of the Town of Livermore has been completed for the fiscal year ended February 1, 1958.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

The fiscal year's operations showed that the net unexpended balances lapsed amounted to \$730.16, per the following summary:

Departmental Operations:

Unexpended Balance	\$917.61
Overdrafts	187.45
	<hr/>
Net Unexpended Balances	\$730.16
	<hr/>
	<hr/>

In accordance with a vote at the annual town meeting, certain unexpended balances and overdrafts are carried forward to the ensuing year. However, in the absence of a vote regarding the overlay, supplemental taxes, lien costs and interest, and abatements these accounts represented the amount lapsed to surplus.

Assets

The cash balance of \$31,574.38 was reconciled with a statement furnished by the Livermore Falls Trust Company, Livermore Falls, Maine. The petty cash fund of the tax collector was verified by actual count.

The accounts receivable of \$467.50 represents for the

most part reimbursable charity expenditures made for other governmental agencies.

Taxes receivable, tax liens and tax acquired property accounts totaling \$10,675.01 at February 1, 1958, were reconciled to control accounts and verification undertaken to determine their correctness.

Reserves and Surplus

The appropriation accounts reflect a net unexpended balance of \$15,450.57. This amount represents various operating balances and overdrafts that are carried forward to the ensuing year in accordance with legal requirements and/or vote of the townspeople.

The excise tax reserve of \$2,058.74 represents the unused portion of tax collections that are carried forward for future disposition.

The unappropriated surplus amounted to \$23,704.42, an increase of \$730.16 for the year. The change was occasioned by the net unexpended departmental balances lapsed.

Trust Funds

The total amount of trust fund principals was \$20,880.98 and unexpended income totaled \$1,440.16 at the year end. These funds are invested in time deposits in various banks and in U. S. Savings Bonds.

Departmental Accounts

The departmental operating accounts revealed an increase of \$11,391.78 in funds raised by taxation, as compared with the preceding year. Larger appropriations in the highway, education and charity accounts were the major factors responsible for the change.

The departmental balances carried forward to the ensuing year increased \$21,435.62, as compared with the previous year. The increase was reflected principally in the highway and education accounts.

General

The use of excise tax revenue to reduce the tax levy was authorized at the annual town meeting.

Appropriations should be limited to town meeting warrant specifications.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

External verifications were utilized on a test basis, to determine the correctness of recorded assets.

Trust fund transactions were reviewed. Time deposits representing the trust fund investments were verified by direct contact with the depository. U. S. Bonds were confirmed by letter.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period.

Excise tax collections were verified with the copies of the receipts retained by the collector. Education account balances were verified with a report of the Superintendent of Schools. Bond coverage was reviewed.

Various laws pertaining to the fiscal operations of the town were reviewed to determine that related financial transactions had been properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

In our opinion, subject to the foregoing comments, the accompanying statements of financial condition and supporting information present fairly the financial position of the town at February 1, 1958, and the results of its operations for the year then ended.

There were twenty-two marriages and fourteen deaths reported.

Respectfully submitted,
 OSCAR TURNER,
 Town Clerk

Librarian's Report

1958-1959

The \$200.00 voted by the Town, was used in part, for operating expenses and the purchase of 152 books selected by the Book Committee and Librarian.

A large percentage of these books are in the juvenile category, such as pre-school, sub-primary, primary, grammar and high school groups.

In view of the fact that the circulation of books in the adult group has fallen off, during the past year, the percentage of books bought for adult patrons is far less, than the above groups.

In lieu of book fine money, 16 used books have again been accepted.

130 books have been given the library by neighbors and friends, also the Universalist Leader, Steelways, Tractor News, Korean Survey, Harvester World, Time, Readers' Digest, Coronet, Our Dumb Animals, Life, Look and Saturday Evening Post—all weekly and monthly publications.

The donors are as follows: Mrs. Elsie Hanson, Mrs. Wilma Barbour, Mrs. Guy Sanders, Mrs. Milo Denny, Mrs. Lyndon Hayford, Mrs. Jerry Johnson, Mrs. Julia Pike, Mrs. Esther Records, Miss Nina Bradford, Mrs. Sadie Strout, Mrs. Alberta Poland, Mrs. Ruth Turner, Mrs. Melvin Showe, Miss Arline McClure, The Dorothy H. and Lewis Rosentiel Foundation, Charles Timberlake, C. W. Timberlake, Howard Hurlburt, Melvin Timberlake, Paul Johnson, Russell, Lyndon and Arthur Hayford, Mrs. Edith Payeur, Mrs. Mary Pulkkinen, Edward Young, Mrs. Guy Dixon and The American Institute of Social Science.

There are now 33 books on the "In Memoriam" shelf. The following have been presented during May, June and October.

Presented by Robert Bradford — In memory of Beatrice Dunton Bradford — The Edge of Darkness.

Presented by Nina Bradford — In memory of Mary Gordon Morse — Blue Camellia.

Presented by James E. and Alice R. Philoon — In memory of Sue L. Gordon and Mary Gordon Morse — Reader's Digest Condensed Books —

1. Desperate Hours, General Dean's Story, Mr. Hobb's Vacation, Power and The Prize, Duchess and The Smugs, Tomorrow.

2. Man Eater, The Actor, Onions In The Stew, Captive City, The Missing MacCleans, The Searchers.

3. This Is Goggle, Run Silent-Run Deep, Marjorie Morningstar, Last of The Curlews, First Train to Babylon.

4. Call Me Lucky, Too Late The Phalarope, Time and Time Again.

Presented by Milo and Florence M. Denny — In memory of Florence Agnes Nelson, "A good friend and neighbor". The Spell of The Rhine, The Spell of Southern Shores, The Spell of England, The Spell of Egypt, The Spell of Switzerland, The Spell of Scotland, The Spell of The Tyrol, The Spell of Italy, The Spell of Flanders and Florence and Southern Tuscany.

Presented by Mrs. Edith Payeur — In memory of her mother, Lottie Ranger Hiscock — Angel Unaware.

Presented by Mrs. Iva Bryant — In memory of her husband, Charles Bryant — Seven Steeples and One White Star.

Presented by Garry and Barry Hanson — In memory of their 'grandpa' Charles Bryant — Good As Gold.

Presented by Mrs. Guy Dixon — In memory of her father and mother — The Silver Chalice.

Presented by Milo Denny — In memory of his father and mother, Henry and Christine Denny — Two Years Before The Mast.

The library was opened every Wednesday afternoon

from 1:30 to 4:15 excepting January 1, February 5, and May 7 (Civil Defense National Alert).

Mrs. Ruth Turner assisted in all library work.

At the recent meeting of the Livermore Library Association, the following officers were elected:

President, Oscar Turner

Vice President, Grace Davenport

Secretary, Ruth Turner

Librarian, Florence Denny

Treasurer, Milo Denny

Trustees, Yvonne Curry, Esther Records, Clarence Gordon, Lyndon Hayford, Marshall Barbour, Myrtle Beckler, Wilma Barbour

Book Committee, Grace Davenport, Yvonne Curry, Ruth Turner, Marshall Barbour, Florence Denny

Number of books in the library: fiction, 4,298; literature, 80; biography, including juvenile fictional, 233; history, 194; nature, 87; poetry, 114; religion, 144; science, 105; foreign language, 61; travel, 143; reference, 208; and "In Memoriam" shelf, 33.

Circulation from January 1, 1958 to January 1, 1958 — 1,938.

Respectfully submitted,

FLORENCE M. DENNY,
Librarian

LIVERMORE, MAINE

The little country school house of 'by gone days', is now the public library in Brettun's Mills, where the total book collection reaches more than 5,700, during its 41 years of existence.

Despite TV and many other modes of enjoyment, the yearly circulation has, at times, exceeded the 2,700 mark. The library being open just one afternoon,

weekly, which is on Wednesdays, from 1:30 to 4. This circulation might well be considered one of the best, keeping in mind the population of the Town of Livermore, which consists of a great many square miles. This takes in Livermore, widely known as Brettun's Mills, South Livermore, North Livermore, Gibbs' Mills and the River Road area.

The Beginning

Brettun's Mills folk had long wanted a village library. In 1915, a kind of book club was started, in which books were exchanged from one family to another, and when one of the members donated a large number of books, a library was established in the vestry of the Universalist Church, which building was much too large for the needs of the town, and too difficult to heat.

In the early spring, a Library Association was formed, and in traveling by horse and sleigh, 200 people were visited, and became charter members, paying 50 cents, which netted \$100.00. The names of these, written in beautiful longhand, on the very best of parchment paper, occupies a prominent place in the library today.

The country school house, which was situated some little distance outside of the village, on the shore of Brettun's Pond and close to the road known now, as Route 4, was no longer needed, as a new building had been erected in the center of town. The little country school house was being used as a grain storage, and with a little persuasion, it was sold to the Association for \$50.00.

The moving of the building to the present location, on a lot presented by the owner, was a problem. It became much less a problem, when many of Livermore's civic-minded citizens came forward, volunteering their help and the use of their horses and oxen.

The morning of March 11, 1919 saw the following teams in line: John Teague, 2 yokes of oxen and driver; Dana Norton, 1 yoke; Leslie Richmond, 2 pair of horses; Percy Hutchinson, 1 pair; Perley Gordon, 1 pair; Harvey Dudley, 1 pair; Orlestus Fuller, 1 pair; Floyd Richmond, 1 pair; Roland Timberlake, 1 pair; Chester Mosher, 1 pair; Fred Adkins sent 1 pair, and John Bowles came to drive; Anti Pulkkinen, 1 pair; Walter Lovell, 1 pair and C. S. Briggs with 1 pair of horses worked hauling tools, etc.

In getting the building ready to be moved, Byron Strickland, Llewellyn Johnson, William Hayford, and Arthur Hewett were on hand.

Chains from a nearby saw mill and logging camp were sent to be used.

The building was rolled on huge timbers about half a mile, over snow packed roads, the sharp turn at Brettun's Corner being made without mishap.

A bountiful dinner was served the workers by the ladies of the community, at the vestry of the Universalist Church. Miss Sue Gordon and Mrs. Angie Gordon were in charge.

From the first conception of a library in the village, the gift of books has been steady and without stint. Miss Ethel Fuller of Livermore (Butter Hill) was the first person to donate a book to the library.

When the work of remodeling was begun, Mr. and Mrs. Silas R. Morse gave the money for having a fireplace installed.

Mr. and Mrs. Chessman N. Turner loaned the andirons. The fire screen was given by Mrs. Silas Morse. The fire set was the gift of Mrs. Rossie Smith and Mrs. Carrie Smith Richmond in memory of their son and brother, Dr. Harry A. Smith. Dr. Smith was a loved physician of Livermore.

The flag was presented by Miss Beulah Pierce. The mounted birds by Miss Lizzie Morris, Dr. and Mrs. A.

J. Pollard, Olin Briggs, Albert Bradbury, Charles Fuller and Florence Nelson.

Twenty-five chairs, some Hitchcock, Windsor and Rabbit Ear, (which are the envy of antique dealers today) were brought by children and citizens.

A drop leaf, cherry wood table was given by Mr. and Mrs. W. E. Day.

Shingles were given by Byron Strickland and the shingling was done by interested citizens. Mr. Silas Morse donated the paint for the exterior of the building.

Posts for the porch were given by Dr. Ralph Bicknell of Canton. These posts, that support the porch of the library, once adorned the Calvinistic Church in Canton, where they served as pillars to support the portico. The church was sold by the society, to Dr. Bicknell and Clyde Bicknell who converted the church into a garage.

The door and side windows, presented by William Hayford, were taken from the house of Mr. Hayford. The house was built by the grandfather of Thomas Bailey Aldrich.

William Hayford, Charles Bryant, Wallace Alden and Charles Phillips worked on grading the lot, which was presented by Lucien Young.

At long last, the doors of the library were opened, on a bright sunny day in July, ready to serve the people of the town, with the best reading material available.

Donations of books kept pouring in during this first year, 621 to be exact. 132 people took them out, the circulation being 752.

During the years 1956, 1957 and 1958, large donations have been received. Some of the money was used to buy government bonds, and some to have on hand, when the time comes for adding an extension on the rear of the building to be used to house the collection of the late Guy Briggs, presented to the library by Charles Keith, formerly of Livermore.

This collection consists of bird eggs, minerals, many varieties of mounted birds, specimens of coral and sea shells, antique guns and swords and many other interesting items. Many specimens of the birds are on display in the library, at this time.

When the extension is built, and in operation, part of it will be used for added book space, and a reading room. The remaining space, a small museum.

Recently, an "In Memoriam" book shelf has been installed. Many town folk have donated books in memory of their departed loved ones. These books are constantly in circulation, and are well-taken care of.

The Town of Livermore supports the library, along with money donated by interested citizens, both in the town and out-of-state.

The Association fee still remains 50 cents a year. Food sales have been given, the proceeds added to the book-buying fund.

When a friendly civic-minded community works together, it is a commendation to the community, state, and the nation.

Our forefathers lived by this tried and true rule—"Know, and Love Thy Neighbor", and by so doing, Livermore is now enjoying many of the good things of life.

Officers of the Committee

George H. Botka, Chairman
Clarence Gould, Secretary

To the Superintending School Committee and Citizens
of the Town of Livermore:

I herewith submit my annual report of the conditions, progress, and needs of the schools of Livermore.

School Buildings

All of the buildings are in better than average condition, and it is hoped to maintain them in that condition by making minor repairs before they become major and expensive projects.

Last summer, Mr. and Mrs. Forbes painted the interiors in two rooms and the main halls in the building at Riverside, and transformed the appearance of the building from a dirty, dingy and depressing look to something bright, clean, and colorful. Next summer it is hoped that two more rooms can be done. By doing a little each year, we plan to keep the building clean and comfortable as long as it remains in use. No major changes or repairs are contemplated, however, because of the possibility of having a new building in a satisfactory location when Livermore becomes a part of a new school administrative district.

Through the efforts of the Civil Defense organization, the basement at Brettuns has been made into a room that can be used as a play room for the children. If the building continues to be used when the new district is formed, (and I believe it will) that room will serve not only as a play room but as an important part of the facilities required for a complete educational program. I am sure that I speak for the parents, teachers, and pupils when I express sincere thanks and appreciation to all those who had a part in that project.

Teachers

With two exceptions, the teachers of last year returned, and the progress of the children under their direction has been quite generally satisfactory.

During the summer, Mr. Keylor resigned his position at Riverside to accept a similar position at West Minot. In his place, we secured the services of Mr. Gordon Crossman, a graduate of Farmington Teachers College, who was separated from active duty in the U. S. Marine Corps last July. We were extremely fortunate in obtaining Mr. Crossman. He has the ability, enthusiasm, and determination that make for success as a school administrator of the first order.

At Brettuns, Mrs. Boardman resigned at the end of the year, and Mrs. Bertha Boothby was engaged to fill the vacancy. However, Mrs. Boothby was injured in an automobile accident in Canada a few days before school opened and was unable to take up her duties at the time school opened in September. Mrs. Ethel Gammon was engaged on a substitute basis to fill the position until Mrs. Boothby recovered. When it developed that Mrs. Boothby would not be able to teach, Mrs. Gammon was asked to continue for the year, but she felt that her duties to her family would not permit her to accept a regular position. At that time, Thanks-

giving week, Mrs. Pearl Arey of South Windham, was engaged to finish the year. Although it was unfortunate that the children had to have a change of teachers, they adjusted quickly and are doing well. Mrs. Arey is interested in the progress of her pupils and is making every effort to make her program fit the individual needs of the children.

Transportation

With the new road from Gibbs Mills to the Norlands and another large bus, the transportation has been improved to a marked degree. Although it is still necessary for some children to be the first to leave home in the morning and the last to get home in the afternoon, the total time that these children are away from home each day has been reduced by forty-five minutes from what it was two years ago. During that same time multiple grades for the teachers have been eliminated, and when we consider that fact, the improved transportation manifests its contribution to the whole educational program.

Traveling conditions admittedly have been the worst in years. Nevertheless, the buses have run more nearly on time schedules than at any time since I have been in Livermore. With the extremely icy roads and the lack of sand, the drivers have done exceptionally well and are to be congratulated on their services.

Educational Program

The division of the beginning class into two age groups has worked out very well. Mrs. Boothby has been able to spend more time on readiness by having the younger children who require longer to establish their readiness and those children are sure to benefit from the longer time spent in making ready for formal education. Mrs. Gile, on the other hand, is not forced

to hold back some of the older pupils who established their readiness somewhat early in the year than the average five-year-old.

Grades six, seven, and eight have been departmentalized. Mr. Crossman teaches the sciences and social studies. Mrs. Gould teaches English and arithmetic. Mrs. Mann has the reading and spelling. In addition to giving the pupils an introduction to their program in high school, departmentalization enables us to utilize the strength of the teachers. From our experience to date, it is safe to say that the pupils will enter high school with far better subject matter preparation than they have had in previous years. After another year with that program, the pupils from Riverside will enter high school with a preparation that will place them in a position to compete with pupils from any of the other school systems in the area.

Finance

An examination of the financial statement shows a balance of \$9,456.00. It must be remembered that, in that balance, is included the amount which has been withheld from the teachers in order to make it possible to pay them on the year around basis. If that amount were deducted, the balance would shrink to about \$5,800.00. It must also be remembered that, by vote in town meeting last March, the fiscal year was reduced to eleven months. In another month, the balance would be reduced to a smaller figure.

In the budget, I call special attention to the estimates for high school tuition. The figures have been derived by taking the known costs for the remainder of this year and the estimated costs for the first half of next year. In the case of Jay High School, the large figure is due to the fact that Jay increased the tuition rate from \$150 to the legal limit. However, the first bill for

the current year was figured at the old rate and the bill for the last half of this year will make up the difference for the current year. It must also be remembered that in the present method of computing tuition costs, no allowance has been made for the possibility of having a family move to town with several high school pupils for which Livermore would have to pay the tuition.

A comparison of the recommended appropriation for School Maintenance for next year with the appropriation for 1957 shows a decrease of \$13,653.77. In 1957 the appropriation for School Maintenance was \$27,858.28 and for High School Tuition was \$31,039.84. The sum of the two appropriations was \$58,898.12. The amount recommended for the coming year for School Maintenance, including High School tuition, is only \$45,244.35. That amount will hold us to careful expenditures, but there should be no overdrafts.

School Districts

The committee which was created by vote at the annual town meeting last March has been making a study of school facilities, offerings, and needs in anticipation of implimenting the provisions of the Sinclair Law. Space does not permit a lengthy discussion of that law, but a list of a few of its basic provisions may be of interest.

Educational costs have been mounting during recent years until many towns, with the property tax as the only source of revenue, are virtually taxing themselves out of existance in order to provide even minimum educational programs for their children. The high costs and low returns have been of deep concern to our school officials and our legislators for several years.

The Sinclair Law was passed to provide a means by which small, poor towns may join together for the purpose of administering and financing their schools and

have the state provide greater financial assistance. The state subsidy is increased by the provision of the law which gives the cities and town an additional 10% as a bonus for joining in a district. State aid is further increased by the provision for building costs to be subsidized at the same rate as school maintenance costs in any district which may be formed.

The law created a School District Commission for the purpose of approving proposed districts. In order to gain approval, a district must meet certain minimum requirements of a "Foundation Program." Some of the requirements of the "Foundation Program" are:

A district must maintain a complete program for the pre-primary through grade twelve;

Teachers must be paid according to the new minimum salary scale which was included in the Sinclair Law;

The cost of the foundation program shall include generally the items now considered as school maintenance and operational expense;

A district must employ at least one teacher for each 30 elementary pupils except in the pre-primary where the ratio shall not exceed one teacher for 60 pupils and at least one teacher for each 25 high school pupils;

A district must maintain one high school with an enrollment of at least 300 pupils. However, the commission may approve a district with less than 300 high school pupils if geographic conditions make transportation impractical or impossible. In such cases districts may be formed by acts of the legislature.

State subsidy for a school administrative district is limited to per pupil costs on a scale based on size of the school and its distance from other schools. At present, the cost per elementary pupil is figured at \$142.00 if the school is within 10 miles of a similar school in a neighboring administrative unit; and the cost per secondary school pupil is figured at \$260.00 if the

school is within 15 miles of a similar school in a neighboring district.

When a group of municipalities make application for approval of a district, complete and detailed reports on the present and proposed educational programs must be presented to the commission. In Livermore, study groups have been formed under the direction of Rockwood Berry, who is the chairman of the general committee; and the studies in the majority of cases are nearly finished.

The thing now is to decide upon a group of towns with which to join in the formation of a district.

To show how Livermore would be effected by joining a district, cost figures on some possible combinations of towns are given for study.

FINANCIAL DATA FOR A SCHOOL ADMINISTRATIVE DISTRICT

(Composed of the following municipalities:)

Fayette — Livermore — Livermore Falls

Because a School Administrative District has no previous experience in Educational Expenditures the State Subsidy that such a district would receive must of necessity be based upon the past experience of the towns involved. (It follows that the subsidy figured in this manner will not be as favorable as it will be after the School Administrative District has 2 years of educational expenditures of its own.)

1. State Valuation of the district	8,250.000
2. Resident pupils in the district (1957 & 1958 average)	1,094

CLARENCE N. GOULD,

Superintendent of Schools

Report of

Public Health Nursing Service

LIVERMORE — 1958

“What does a public health nurse do?” has been asked many times in many communities.

Statistics show that in your town, home visits were made as follows: 24 infants, 35 pre-school children, 6 expectant mothers, 43 school children and 33 handicapped children. The older age groups received visits when there was a request for service. 99 physical examinations were done in the schools, and 83 immunizations against diphtheria, whooping cough and tetanus, 43 smallpox vaccinations were given. 45 children received protection against polio. But statistics do not tell a story and because the nurse holds in confidence the information given her, it is not usually possible to give specific details.

Permission has been given by one of the loveliest families (in another community) I have ever worked with, to tell as briefly as possible a story which might have happened in your town, or on your street.

I met them soon after they moved to our town, because their first child, then two years old, had had in early infancy an illness which had arrested his normal growth and development. A great deal of money, all their savings in fact, had been spent seeking a cure, and he still needed medical care. The family physician chosen wished to have the child referred to the State Crippled Children's Clinic. On special forms provided, the nurse was able to send from the doctor and family, the information which was to be helpful in planning for the clinic visit. Through the clinic, hospital services were also provided when needed. This beautiful child

now 10 years old has had excellent care given daily, tenderly by his mother. She has needed encouragement from time to time so that she could be sure that no one could give this child the care and love he needed as well as she could. In the meantime, four other children have been added to the family group, adding more than the usual number of problems, because the fourth child had a club foot. Again there was need for clinic visits, operations and special shoes; need for more encouragement and assistance with making plans. It was when he was admitted to the hospital for surgery which had to be postponed due to an illness that it was discovered that this child also had cystic fibrosis. His special care now includes special medicines and home tutoring. Never have I seen more love, faith and teamwork than I have seen in this home. If I have been of any assistance in some of the planning for their health needs it has been a small part of what I have experienced in good family relationships. I have had similar experiences in your town.

It has been a pleasure to work with the Citizens, Minister, Town Officials, School Personnel, Volunteer Workers who have made this program possible.

Respectfully submitted,

(Mrs.) ELAINE W. MURRAY, R.N.

Public Health Nurse

Respectfully submitted,

ROCKWOOD BERRY,
Treasurer

CIVIL DEFENSE AND PUBLIC SAFETY

I would like to take this opportunity to thank all those who have given of their time and effort during the past year to make our civil defense program a success. We have been named as one of the outstanding towns in Androscoggin County.

Our participation in training programs has been very good, including the following: 12 took Warden training, 8 completed home nursing, 10 Radiac training course, a first aid course was held and one in communications. By having ten trainees in radiac readings we were promised two complete sets of instruments for detecting radiation, one of which has been in our possession for several months and Theodore Berry, our radiac chief has turned in readings each week which have been reported by radio to the County Control Center.

Our participation in the national alert was successful. 165 reported for duty during the two day program. Evacuation of all children in the Brettun's school by Bill Irish, who took them to the registration center where they were registered and identified, then they were taken back to school. Riverside School and Payson Smith School took cover. All phases — messengers, wardens, police, first aid, communications, and mass feeding were given thorough workouts. Over 100 messages were handled by short wave radio to and from County headquarters and were relayed by telephone to the control posts at Brettuns, Riverside and North Livermore. The Mass Feeding group served 60 people within a 12 minute period at the Livermore Grange Hall to wind up the activities.

The Basement in the Brettuns School was a special project. Due to the fire insurance laws it was necessary to put in two more exits in the basement, one in the boiler room and one in the room to be used as our Control Center and which will also serve as a recrea-

tion center for the children of the school to use in inclement weather. Many hours of work were put in by the loyal workers to accomplish this. I want to thank the Livermore Grange, and the Community Club for their financial help as well as for the many hours of labor donated.

We have requested through the Surplus Property Program the following articles: a power grader, 2 dump trucks, a bulldozer and some type of equipment to load gravel, also a portable generator for our fire department with which to operate flood lights.

In order to get matching funds on any new equipment which we might need and to take advantage of this Surplus Property Program it is necessary that we maintain an active Civil Defense organization.

In closing I want to express my appreciation again to each and every one who assisted in making the year 1958 so successful. May we show greater progress in 1959.

DWIGHT W. LAMB,
Director

Warrant for Town Meeting

To P. M. Brown, Constable of the Town of Livermore,
County of Androscoggin and the State of Maine,

GREETINGS:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in Town affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said Town of Livermore, on the 14th day of March, A.D. 1959, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2 Chap. 70 of the Public Laws of 1921, of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor, for three years, Town Treasurer, Tax Collector and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:00 P.M.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where they occur and raise necessary sums of money to cover overdrafts. No overlay to be put into Unappropriated Surplus Account.

Art. 5. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,700.00

Art. 6. To see what sum of money the Town will vote to raise for the Support of the Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,700.00

Art. 7. To see what sum of money the Town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,200.00

Art. 8. To see if the Town will vote to have the Livermore Falls Fire Department answer fire calls, the same charge to be made as is charged the Town of Jay or act anything in relation thereto.

Art. 9. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fire fighting equipment, and answer fire calls or act anything in relation thereto.

Art. 10. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee and the selectmen, and to appoint one member of the committee or act anything in relation thereto.

Budget Committee recommends \$4,000.00

Art. 11. To see what sum of money the Town will vote to raise for the care of Summer Roads & Bridges

for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$3,500.00

Art. 12. To see what sum of money the Town will vote to raise for Winter Roads & Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$9,000.00

Art. 13. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for the care of highways and bridges) under the provisions of Sec. 25 and 29, Chap. 30 RS., 1944 as amended.

Budget Committee recommends \$1,200.00

Art. 14. To see if the Town will vote to raise the sum of \$5,500.00 for the next four years to take care of the overdraft on State Aid #2; also to rescind its vote of last year to raise \$4,000.00 in 1959 through 1962, or act anything in relation thereto.

Budget Committee recommends \$5,500.00

Art. 15. To see if the Town will vote to raise the sum of \$480.00 to pay the Interest on State Aid Road #2 Loan.

Budget Committee recommends \$480.00

Art. 16. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Women's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends \$50.00

Art. 17. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends \$200.00

Art. 18. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine, in accordance with the provisions of Chapter 91, Section 108 of the R.S. of 1954.

Budget Committee recommends \$75.00

Art. 19. To see what sum of money the Town will vote to raise for Care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$150.00

Art. 20. To see if the Town will vote to raise the sum of \$150.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the State Bureau of Health for local service or act anything in relation thereto.

Budget Committee recommends \$150.00

Art. 21. To see what sum of money the Town will vote to raise for Civil Defense & Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$300.00

Art. 22. To see what sum of money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$2,900.00

Art. 23. To see if the Town will vote to hire an office clerk to do the bookkeeping and attend to all office work, also for the office clerk to collect taxes in 1960; and to raise \$1,000.00 for this purpose or act anything in relation thereto.

Budget Committee recommends doing this and to raise \$1,000.00.

Art. 24. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,000.00

Art. 25. To see what sum of money the Town will vote to raise and appropriate for School Maintenance for the ensuing year.

Budget Committee recommends \$45,244.35

Art. 26. To see what sum of money the Town will vote to raise and appropriate for school repairs for the ensuing year.

Budget Committee recommends \$137.54

Art. 27. To see what sum of money the Town will vote to raise and appropriate for the purchase of School Furniture.

Budget Committee recommends \$724.24

Art. 28. To see what sum of money the Town will vote to raise and appropriate for the payment of salaries of the members of the Superintending School Committee for the ensuing year.

Budget Committee recommends \$75.00

Art. 29. To see what sum of money the Town will vote to raise to co-operate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with R.S. of 1954, Chapter 36, Sec. 69 or act anything in relation thereto.

Budget Committee recommends \$300.00

Art. 30. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 31. To see if the Town will vote to charge $\frac{1}{2}$ of 1% interest per month or fraction thereof on all unpaid taxes as of December 15th, 1959, the date on which they are due and payable or act anything in relation thereto.

Art. 32. To see if the Town will vote to authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chap. 5 of the R.S. and all acts amendatory thereof and additional thereto.

Art. 33. To see if the Town will vote to raise the sum of \$500.00 to pay the interest on Temporary Loans.

Budget Committee recommends \$500.00

Art. 34. To see if the Town will vote to authorize its Selectmen to sell such tax lien property as they deem advisable at Public Auction, except that which they see fit to sell to its former owner.

Art. 35. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 36. To see if the Town will vote to have a Street Light installed in front of the residence of Richard Parker or act anything in relation thereto.

Art. 37. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Budget Committee recommends \$275.00

Art. 38. To see if the Town will vote to accept \$2,000.00 in trust from the estate of the late Mary G. Morse, the income therefrom to be used for the perpetual care and maintenance of Lakeside Cemetery in Livermore or act anything in relation thereto.

Art. 39. To see if the Town will vote to accept all moneys held in trust by the Waters Hill Cemetery Association, also any cash on hand, for the perpetual care of designated lots, also accept and preserve the records of said Association along with a blueprint map of said cemetery, and the responsibility to keep up the yard according to the by-laws of said Association; or act anything in relation thereto.

Art. 40. To see if the Town will vote to accept all moneys held in trust by the Lakeside Cemetery Association, also any cash on hand, the interest from these trusts to be used for the perpetual care of designated lots; or act anything in relation thereto.

Art. 41. To see if the Town will vote to take all the land on the west side of the Butter Hill Road, formerly belonging to Lloyd Keene and Elmer Goding, for a Town Cemetery. This land now belongs to the Town

by virtue of matured Tax Liens; or act anything in relation thereto.

Art. 42. To see if the Town will vote to elect its Road Commissioner for a period of one year in the same manner as other town officers are elected; or act anything in relation thereto.

Art. 43. To see if the Town will vote to ditch and gravel the River Road from the Bridge to the Jay Town Line or act anything in relation thereto.

Art. 44. To see if the Town will vote to have a ditch made and the necessary culverts installed to take care of the water which now drains across the road onto the property of the Livermore Glove Shop or act anything in relation thereto.

Art. 45. To see if the Town will vote to pay Social Security on its employees who are eligible to have Social Security; $2\frac{1}{2}\%$ to be paid by the Town and $2\frac{1}{2}\%$ to be paid by the employee (this $2\frac{1}{2}\%$ to be withheld from wages earned). The Town to be responsible for the administration of this account. Also to raise necessary funds to take care of the Town's share or act anything in relation thereto.

The Selectmen hereby give notice that they will be in session for the purpose of correcting the list of voters at the Town Office on February 28th and March 7, 1959 from 2:00 P.M. until 5:00 P.M.

EXPLANATION OF TAX LIENS

Town Owned Property — Rent

If your Real Estate Tax is not paid by May 1st of the next year, the Tax Collector, in order to settle with the Town, puts a lien upon it. This is done on each succeeding year the taxes are not paid, until three liens have been put on. It then is called Matured and becomes Town Owned Property. If you pay the assessed tax during the second or third year the property still remains Town Owned as the Treasurer cannot accept payment on the oldest lien if there are later Taxes Unpaid.

After your property becomes Town Owned you will no longer receive any tax bills and anything you pay in, will be called Rent, unless all Tax Liens are paid in full.

When your property becomes Town Owned you no longer have any Legal rights in said property and it could be sold at any time.

A Tax Lien takes precedence over any Mortgage, Mechanics Lien or any and all agreements.

Lien Costs and Interests are expensive. Keep your Taxes up to date.

TOWN GRADER

The Town is now in possession of a Rome Power Grader due to the efforts of our Civil Director, Dwight W. Lamb. This cost the Town only \$300.00, plus \$1,815.71, which is a small expense in return for an \$18 to \$20 Thousand dollar machine. There being no appropriation for this, it was paid for out of Town Owned Property Account.

We feel many thanks are due Mr. Lamb for his efforts.

TOWN WARRANT AND MINUTES OF SPECIAL TOWN MEETING

October 12, 1959

To P. M. Brown, Constable of the Town of Livermore,
County of Androscoggin and State of Maine,

GREETINGS:

In the name of the State of Maine you are required to notify and warn the Inhabitants of the Town of Livermore, qualified by law to vote in town affairs to

assemble at the Vestry of the Universalist Church Brettuns Mills in said Town of Livermore, on the Twelfth of October A. D., 1959, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 1. Moderator

Florence Denny, Total votes cast 3. Declared elected.

Art. 2. To see if the Town will vote to transfer the sum of \$1,200.00 which was budgeted for a Music Teacher and raised in the school maintenance account at the last annual Town Meeting on the 14th of March 1959, to the school furniture account.

Art. 2. It was voted to transfer the sum of \$1,200.00 which was budgeted for a music teacher and raised in the school maintenance account at the last annual Town Meeting on the 14th of March 1959, to the school furniture account.

This article was recommended by the Superintending Committee because of the fact that the will of the late Mrs. Mary G. Morse provides for a bequest of \$10,000.00, \$1,000.00 of the principal and the interest thereof to be used each year for additional vocal music instruction in the schools. The employment of Merrill Shea as Music Supervisor provides the additional instruction.

Town Clerk, Livermore

Auditor's Report

COMMENTS

Town of Livermore

February 2, 1958 to December 31, 1958

An audit of the financial records of the Town of Livermore has been completed for the fiscal year ended December 31, 1958. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

The fiscal year's operations show that the net unexpended departmental balances lapsed amounted to \$1,134.00, per the following summary:

Departmental Operations:

Unexpended Balances	\$ 1,534.34
Overdrafts	400.34

Net Unexpended Balances	\$ 1,134.00
-------------------------	-------------

The overlay and supplemental taxes, less an overdraft in the abatement account, were the principal factors contributing to the amount lapsed to surplus.

Assets

The general fund cash balance of \$622.34 was reconciled with statements furnished by the Livermore Falls Trust Company, Livermore Falls, Maine. Petty cash was verified by actual count.

Accounts receivable of \$488.61 included reimburs-

able expenditures for state welfare cases and other municipalities' charity cases.

Taxes receivable totaling \$6,387.15 consisted principally of current year accounts of \$6,298.50. The balance of \$88.65 represented prior year accounts dating from 1957.

Tax liens and tax acquired property amounted to \$1,543.36 and \$4,201.02 respectively.

Reserves

The appropriation accounts showed a net overdraft of \$14,500.61 carried forward to the ensuing year in accordance with legal requirements and/or customary practice. The accounts carried include the state aid construction overdraft which is to be liquidated by annual appropriation during the ensuing years.

The balance of the excise tax reserve amounted to \$1,413.66 at the year end.

Surplus

The unappropriated surplus amounted to \$24,826.27, an increase of \$1,121.85 for the year. The change was occasioned by the net unexpended departmental balances lapsed less an adjustment in State charity cases.

Trust Funds

Trust fund principals totaled \$20,880.98 and unexpended income amounted to \$1,790.57. These funds are invested in time deposits of various banks in the amount of \$18,671.55 and U. S. Savings Bonds of \$4,000.00. Income of \$324.20 on time deposits was withdrawn subsequent to the new closing date of the municipal year to reimburse general fund for cemetery maintenance expenditures.

Departmental Accounts

The departmental accounts showed a decrease of \$15,142.34 in funds raised by taxation, as compared

with the preceding year. Smaller appropriations for education accounts were the major factors contributing to the change.

Departmental balances carried forward to the ensuing year decreased by \$29,951.18, as compared with balances at the start of the year. This change occurred principally in the highways and bridges accounts.

General

The townspeople authorized the use of excise tax revenue to reduce the tax rate. Authority was also granted to transfer the unexpended balance in the Riverside School account to the school repair account.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of statements furnished by the depository. External verifications were utilized on a test basis to determine the correctness of recorded assets.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period.

Excise tax collections were verified with copies of the receipts retained by the collector. Trust fund investments were examined. Surety bond coverage was reviewed.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting information present fairly the financial position of the town at December 31, 1958, and the results of its operations for the year then ended.

Deaths

1959

February

15 Amiralda Pepin Venot, at Lewiston, age 69.

March

18 Ruth Hiscock, at Auburn, age 58.

April

16 Baby Leblond, at Livermore Falls.

21 Arthur Frank Merrill, at Livermore, age 66.

24 Baby Rose, at Lewiston, age 1 hour, 2 min.

May

6 Elver P. Jamison, at Fayette, age 59.

14 John Anderson, Jr., at Lewiston, age 48.

23 Emil Arvid Ohtamaa, at Livermore, age 72.

27 Baby St. Pierre, at Farmington.

31 Donald Everett Hammond, at Livermore, age 23.

June

21 Amie Evelyn Sinnett, at Farmington, age 85.

July

21 Lillian Arlene Atkinson, at Livermore, age 43.

August

2 Frederick Carleton Bradeen, at Livermore, age 22.

31 Willie Sylvester Seavey, at Turner, age 97.

September

9 Karen Ivy Tewksbury, at Livermore, age 7 days.

19 Rosilla Phillips Bryant, at Livermore, age 87.

October

- 21 Eva Castonguay, at Lewiston, age 62.
- 25 Eva Tracy Hinds, at Turner, age 85.
- 26 Melvin Eugene Brown, at Farmington, age 82.

November

- 5 Thomas Neil Hunnewell, at Lewiston, age 22 hours, 20 min.
- 21 Lawrence Brown, at Livermore, age 38.
- 29 Mary C. Sanders, at Rumford, age 73.

December

- 5 Adelbert George Morrison, at Livermore, age 93.
- 6 Roy William Bryant, at Lewiston, age 37.

There were twenty-six births and nineteen marriages reported during 1959.

Respectfully submitted,

OSCAR TURNER,

Town Clerk.

Librarian's Report

1959-1960

The \$200 voted by the Town, was used in part, for operating expenses and the purchase of 75 books. 8 books were purchased with the State Aid allowance of \$20.

In lieu of Book Fine money, 8 used books have been accepted by the Librarian. Donations amounting to \$3.75 was used to buy 5 Juvenile books.

Again, during the past year, neighbors and friends have given books to the Library. Cub Scout Pack 502, of which Charles Harris is Master, arranged a yearly subscription of "Boy's Life" sent the Library. This magazine arrives monthly.

Mr. Reginald Sturtevant of Livermore Falls presented the Library, a complete set of the Encyclopedia Britannica (11th Edition). These volumes were deeded to the Library by the late Edith Treat, also of Livermore Falls. 9 books in other categories were received, also.

Other donors are as follows:

Mrs. Iva Bryant, Mr. and Mrs. Wesley Records, Mr. and Mrs. Milo Denny, Mrs. Addie Poole, Mrs. Wilma Barbour, Mrs. Belle Boothby, and Mrs. Ruth Turner.

"Famous Livermore People" a scrap book, compiled and presented by Mr. Bert Jones, a former resident of Livermore comprising the life and history of George Dana Boardman, born at North Livermore in 1801; O. P. Briggs, born in Livermore in 1856; The Chase Brothers: Sons of George Frank and Ann Strickland Chase; Herbert S., born in Auburn in 1862; Charles F., born in London in 1865; Henry B., born in Liver-

more (the Brettun House, Brettun's Mills) in 1870; Robert C., born in Livermore.

Everett Carlton Herrick, born at Livermore in 1876; Henry Arthur Sanders, born in Livermore in 1868; John Dana Sanders, born in Livermore in 1851; Algernon Sidney Washburn, born in Livermore in 1814; Cadwallader Colden Washburn, born in Livermore, 1818; Charles Ames Washburn, 1822; Elihu Benjamin Washburn, 1816; Israel Washburn, Jr., 1813; Samuel Benjamin Washburn, 1824 and William Drew Washburn, 1831, is available at all times.

The Library has become a member of the Nancy Drew Book Club. Five Mystery Stories, by Carolyn Keene are in circulation. These books arrive monthly.

Due to the increasing requests for animal stories, 10 of the most popular stories about dogs and horses, written by Thomas C. Hinkle, Albert Payson Terhune and Elisa Bialk are in constant use. These were purchased in October.

Eleven books on Religion have been added to the children's section, and are greatly favored by them.

The Library was opened every Wednesday afternoon, excepting January 7, February 4, March 25 and November 11.

When school is in session, the hours are 1:15 to 4:15. During the summer months 2 to 4 P.M.

Mrs. Ruth Turner assisted in all Library work.

At the June meeting of the Library Association the following were elected:

President, Oscar Turner; Vice President, Grace Davenport; Secretary, Ruth Turner; Librarian, Florence Denny; Treasurer, Milo Denny; Trustees, Yvonne Curry, Esther Records, Clarence Gordon, Lyndon Hayford, Marshall Barbour, Myrtle Beckler, Wilma Barbour.

Book Committee: Grace Davenport, Yvonne Curry, Ruth Turner, Marshall Barbour, Wilma Barbour and Florence Denny.

As of November 1, 1959, Homer Davenport is serving as Janitor.

Number of books in the library: Fiction, 4244; literature, 85; biography, including fictional, 229; history, 184; nature, 89; poetry, 114; religion, 151; science, 93; foreign language, 61; travel, 70; reference, 209; miscellaneous, 11; "In Memorium" book shelf, 33.

Circulation from January 1, 1959 to January 1, 1960—2,492.

Respectfully submitted,

FLORENCE M. DENNY,

Librarian.

Report of Superintendent of Schools

Superintending School Committee

Helen Harris	Term Expires 1960
Florence Denny	Term Expires 1961
George H. Botka	Term Expires 1962

Officers of the Committee

George H. Botka	Chairman
Clarence N. Gould	Secretary

To the Superintending School Committee and Citizens
of the Town of Livermore:

I herewith submit my annual report of the condition,
progress, and needs of the schools of Livermore.

Teachers

At the close of the school year last June, there were three vacancies produced by the resignations of Mrs. Arey at Brettuns, Mrs. Fairbanks at the Payson Smith School and the retirement of Mrs. Farrington at Riverside. At the end of the first term of the current year, Clydelle Mann resigned her position at Riverside and was married.

In filling the positions thus opened, we have been extremely fortunate. Mrs. Dorothea Gibbs of Turner replaced Mrs. Arey of Brettuns. Mrs. Gibbs graduated from Farmington and did her first teaching in Livermore in 1925. From 1943 to 1959, she taught in Turner and was considered an outstanding teacher. Her work with the children at Brettuns is of the highest order.

The position at the Payson Smith School was filled

by Mrs. Dorothy Mosher of Livermore Falls. Mrs. Mosher is also a graduate of Farmington and has had teaching experience in Mount Vernon, Fayette, Wayne, Livermore Falls and South Portland. She has all the qualities of an exceptionally fine teacher, and her work at North Livermore has been highly satisfactory.

The position in the fifth grade at Riverside was filled by another graduate from Farmington—Mr. Neil Lemieux. Although Mr. Lemieux is a beginning teacher, he is one of the best. He came to us as one of the best prospective teachers to graduate from Farmington in some years, and he has fulfilled all expectations. He has ability, enthusiasm, determination and a genuine interest in the children and their educational growth and progress.

The position left vacant by the resignation of Clyde Mann at Riverside has been filled by Mrs. Charlotte Fuller of Livermore Falls. She is a graduate of Huntingdon College, Montgomery, Alabama, and has had five years of teaching experience in Virginia, Alabama, and Georgia.

In the short time that she has been with us, she has demonstrated her ability as a fine teacher. The children show no signs of interruption in their progress, and they seem to like and respect Mrs. Fuller.

All of the other teachers continue the fine work which we expected from them, and the educational growth of the children under their direction is highly satisfactory. Reading has improved and the results of departmentalization in the upper grades are indeed gratifying.

Buildings

No major repairs were needed this year in the building themselves, but the heating plant at Riverside had a costly breakdown in the early fall. When the boiler inspector came for his inspection, he found the water

leaking nearly all the way around the base of the boiler, and he insisted that it be repaired even though it necessitated the closing of school. It happened to be at Convention time which made it possible to make the repairs without the loss of school time.

Next year, the roof of the Payson Smith School must be shingled. Several leaks have started during the year, and repairs are temporary. The following year some outside painting will be necessary. When that is done, both Brettuns and Payson Smith will need redecorations on the inside.

Transportation

In the early part of the year, it seemed that the transportation was the most satisfactory that I have ever known since I have been here. At the time of this report, however, both busses are in poor condition. The International has nothing of a costly nature the trouble with it, but a wrong part has made the repairing slow. It is still in service and in good running condition, but it is difficult to keep a charge in the battery. The Chevrolet, at the first time that it has run with any degree of satisfaction burned out a connecting rod and is temporarily out from service. By the time you read this report, it is expected that transportation will again be satisfactory.

Music

Through the graciousness of the late Mary E. Morse, the Morse Music Fund of ten thousand dollars was set up this year. One thousand dollars, plus accrued interest, is to be used for vocal music in the schools of Livermore. Mr. Merrill Shea is paid in part from that fund, and the program he is giving our boys and girls is one of which we are justly proud.

Enrollment

It is interesting to consider the increase in the number of school children in the schools of Livermore in the last eleven years as shown by the following table:

Year	Elementary Pupils
1949	107
1954	226
1959	291
1960	325

An examination of these figures shows an increase from 107 - 291 in the number of pupils in our elementary schools during the period from 1949 to 1959. That is an average of 18.4 per year. In the one year from 1959 to 1960, however, the enrollment increased by 34. As a result of this abnormal increase, all the schools have been over crowded during the current year. This condition has been a decided handicap to progress particularly in the intermediate grades and will continue into the upper grades next year unless measures are taken to correct it. Your committee feels that the only solution to the problem is to open another room using a part of the auditorium at Riverside for the over flow. That change is contemplated in the budget.

Finance

An examination of the financial statement shows a favorable balance of \$8,783.54. That is due largely to the fact that, during the last legislative session, it was decided to use the 1958 valuations for the purpose of computing subsidies, although the subsidies had already been figured on the basis of 1956 valuations. That change caused losses to some towns and gains to others. Livermore gained about \$3,000.

In the account for repairs, there is an overdraft of \$485.28. That is due to the emergency which developed at the Riverside School as explained previously in this report.

School District

The study groups of Livermore Falls, Livermore, Fayette, and Wayne have completed their joint study and made their final report. It is expected that you will have an opportunity to see a copy of that report before you read this.

I extend sincere thanks and appreciation to the citizens of the town for the splendid support of our school program.

Respectfully submitted,

CLARENCE N. GOULD

Superintendent of Schools

Report of Public Health Nursing Service

The greatest strength of any public health nursing program lies in the interest of all citizens of the community. Your nurse wishing to improve her service to you, needs assistance from Health Council or Health Committee members in finding unmet needs, and the resources available in meeting the changing and widening needs, and in interpreting health work to the public.

Two Child Health Conferences were held at Bretuns during the summer. The attendance was not

large enough to warrant holding a third one. 65 children have attended the regular monthly one at the office of the public health nurse.

Assistance was given with physical examinations in the schools, and results of these were sent to parents who were not present. Other visits were made to school for conferences with the teachers.

Clinic service has been made available to those known needing Prenatal, Orthopedic, Chest, Cardiac or Mental Health Services. Services for the Blind have provided examination and glasses or surgery when needed for children and adults qualifying for their program.

During the year 152 home visits were made to children and adults, with concern for the health needs of all the members of the family. Public health nurses and social workers are co-ordinating their efforts toward giving the best service for the health and welfare of the people in the community.

Gratitude is expressed to the many people who have given volunteer assistance, and to the Town Officials, School Personnel, with whom it has been a pleasure to work as members of the health team.

Respectfully submitted,

(MRS.) ELAINE W. MURRAY, R.N.

Public Health Nurse

Civil Defense and Public Safety

In reviewing the activities for civil defense for the year of 1959, I find that the training programs were well attended. A home nursing course was completed; a refresher course on radio active fall-out was given, five of our personnel attended these meetings; a meeting was held on mouth-to-mouth resuscitation, slides

being shown on this method of respiration. Our fire chief and some of his fire-fighters attended. A rescue training class was held late in the spring at a time when our interested personnel were unable to attend. As much interest has been shown in rescue training, especially water rescue, we do expect a group to take this training in 1960.

Mrs. Ruth Botka took the course in basic police training for women and received her certificate of graduation.

The National Alert came in May this year and covered a two day period. We did not attempt any evacuations as we did in 1958. Participation in this alert was very good. Mrs. Antoinette Milkey, our mass feeding chief, provided two meals for our personnel. Our communications by radio was not good due to our equipment lacking power to get into Auburn. However steps are being taken to remedy this situation before the 1960 National Alert.

Our clothing chief, Mrs. Ruth Enos, did a very fine job in collecting and repairing clothing. She helped to clothe two families that were burned out.

Probably our most noteworthy feat was in securing a power grader for the town. This piece of equipment should be a great help in keeping our dirt roads in much better shape. The cost to the town was slight, this being for transportation and any necessary repairs. The government cost in 1952 was \$8,396.00.

May each and every citizen support the Town's C. D. organization, with one thought in mind: TO SAVE LIVES AND PROPERTY in your community during any emergency.

I want to thank all of the faithful C. D. workers for their co-operation during the past year.

In closing may I remind you that only through an active Civil Defense & Public Safety organization may we obtain surplus equipment and matching funds.

D. W. LAMB, Director

SUPT. OF SCHOOLS

Warrant for Town Meeting

To P. M. Brown, Constable of the Town of Livermore,
County of Androscoggin and the State of Maine,

GREETINGS:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in Town Affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said Town of Livermore, on the 12th day of March, A.D. 1960, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2 Chap. 70 of the Public Laws of 1921, of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor, for three years, Town Treasurer, Road Commissioner and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:00 P.M.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where they occur and raise necessary sums of money to cover

overdrafts. No overlay to be put into Unappropriated Surplus Account.

Art. 5. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$2,000.00.

Art. 6. To see what sum of money the Town will vote to raise for Support of Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$7,000.00.

Art. 7. To see what sum of money the Town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$2,800.00.

Art. 8. To see if the Town will vote to have the Livermore Falls Fire Department answer fire calls, the same charge to be made as is charged the Town of Jay or act anything in relation thereto.

Art. 9. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fighting equipment, and answer fire calls or act anything thereto.

Art. 10. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee, Selectmen and Road Commissioner, and to appoint one member of the Committee or act anything in relation thereto.

Budget Committee recommends: \$3,000.00.

Art. 11. To see what sum of money the Town will vote to raise for care of Summer Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$3,500.00.

Art. 12. To see what sum of money the Town will vote to raise for Winter Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$9,000.00.

Art. 13. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for care of Highways and Bridges) under the provisions of Section 25 and 29, Chap. 30 R.S., as amended.

Budget Committee recommends: \$1,200.00.

Art. 14. To see if the Town will vote to raise the sum of \$5,500.00 to pay on the overdraft on State Aid #2, or act anything in relation thereto.

Budget Committee recommends: \$5,500.00.

Art. 15. To see if the Town will vote to raise the sum of \$288.00 to pay the Interest on State Aid Road #2 Loan.

Budget Committee recommends: \$288.00.

Art. 16. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Woman's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends: \$50.00.

Art. 17. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 18. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine, in accordance with the provisions of Chapter 91, Section 108 of the R.S. of 1954.

Budget Committee recommends: \$75.00.

Art. 19. To see what sum of money the Town will vote to raise for Care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$150.00.

Art. 20. To see if the Town will vote to raise the sum of \$150.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the State Bureau of Health for local service or act anything in relation thereto.

Budget Committee recommends: \$150.00.

Art. 21. To see what sum of money the Town will vote to raise for Civil Defense and Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$300.00.

Art. 22. To see what sum of Money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$2,900.00.

Art. 23. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$1,100.00.

Art. 24. To see what sum of money the Town will vote to raise for School Maintenance for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$49,316.10.

Art. 25. To see what sum of money the Town will vote to raise for repair of Schoolhouses for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$1,000.00.

Art. 26. To see what sum of money the Town will vote to raise for purchase of School Furniture or act anything in relation thereto.

Budget Committee recommends: \$700.00.

Art. 27. To see what sum of money the Town will vote to raise for salaries of Members of the Superintending School Committee for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$75.00.

Art. 28. To see what sum of money the Town will vote to raise to co-operate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with R.S. of 1954, Chapter 36, Sec. 69 or act anything in relation thereto.

Budget Committee recommends: \$300.00.

Art. 29. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 30. To see if the Town will vote to charge $\frac{1}{2}$ of 1% interest per month or fraction thereof on all unpaid taxes as of December 15th, 1960, the date on which they are due and payable or act anything in relation thereto.

Art. 31. To see if the Town will vote to authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chap. 5 of the R.S. and all acts amendatory thereof and additional thereto.

Art. 32. To see if the Town will vote to raise the sum of \$900.00 to pay the interest on Temporary Loans.

Budget Committee recommends: \$900.00.

Art. 33. To see if the Town will vote to authorize its Selectmen to sell such Tax lien property as they deem advisable at Public Auction, except that which they see fit to sell to its former owner.

Art. 34. To see if the Town will vote to authorize its Selectmen to sell Town Owned properties with a valuation of \$100.00 or less at private sales or act anything in relation thereto.

Art. 35. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 36. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 37. To see what sum of money the town will vote to raise for Social Security on town employees.

Budget Committee recommends: \$325.00.

Art. 38. To see if the Town wishes to do anything in regard to securing water from Livermore Falls for residents near the bridge or so called West Side, also in regard to sewerage or act anything in relation thereto.

Art. 39. To see if the Town will vote to have a Street Light installed on Route #108 at the intersection leading North near the residence of Leslie B. Boothby or act anything in relation thereto.

Art. 40. To see if the Town will vote to rescind the vote taken at a previous Town Meeting to hold the money received for the fields on Poland Hill Farm for Maintenance and Surveying.

Art. 41. To see if the Town will vote to use the sum of \$2,000.00 taken from the Town Owned Property account and also \$1,000.00 taken from the Poland Hill Farm account, said \$3,000.00 to be used for the purpose of reducing the 1960 Commitment or act anything in relation thereto.

The Selectmen hereby give notice that they will be in session for the purpose of correcting the list of voters at the Town Office on February 27th and March 5th, 1960 from 2:00 P.M. until 5:00 P.M.

EXPLANATION OF TAX LIENS

Town Owned Property — Rent

If your Real Estate Tax is not paid by May 1st of the next year, the Tax Collector, in order to settle with the Town, puts a lien upon it. This is done on each succeeding year the taxes are not paid, until three liens have been put on. It then is called Matured and becomes Town Owned Property. If you pay the assessed tax during the second or third year the property still remains Town Owned as the Treasurer cannot accept payment on the oldest lien if there are later Taxes Unpaid.

After your property becomes Town Owned you will no longer receive any tax bills and anything you pay in, will be called Rent, unless all Tax Liens are paid in full.

When your property becomes Town Owned you no longer have any Legal rights in said property and it could be sold at any time.

A Tax Lien takes precedence over any Mortgage, Mechanics Lien or any and all agreements.

Lien Costs and Interests are expensive. Keep your Taxes up to date.

WHITE TRUCK

The Town is now in possession of a 5-ton White Dump Truck by the efforts of our Civil Defense Director Dwight W. Lamb. The cost to the Town from Civil Defense was \$75.00 plus repair bills on the truck of approximately \$1,400.00 including labor.

We have put the V plow and wing the Town owned on this truck and are using it in place of the Truck the Town was hiring from out-of-town for plowing snow.

It will also be useful on Summer work as it has a 7 yd. gravel body.

There being no appropriation for this, it has been paid out of Winter Road money. We wish to thank Mr. Lamb for his efforts in getting this Truck.

E. H. BECKLER,

THOMAS L. NICHOLS,

J. LOWELL BOWLES

Selectmen of Livermore

Auditor's Report

Town of Livermore

Year Ended December 31, 1959

May 13, 1960

Board of Selectmen
Livermore,
Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1959.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and was conducted by Auditor P. H. Allen of the State Department of Audit.

The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO,

State Auditor

COMMENTS

Town of Livermore

January 1, 1959 to December 31, 1959

An audit of the financial records of the Town of Livermore has been completed for the fiscal year ended December 31, 1959. The audit consisted of an examination of the records maintained by the Selectmen, Tax Collector, Treasurer and other municipal officials.

The examination included a review of cash transactions and an analysis of available expenditures. The results are incorporated in the following text, exhibits and schedules.

The fiscal year's operations showed that the net unexpended departmental balance lapsed amounted to \$530.01. Supplemental taxes and the excess of the overlay over abatements were the principal factors contributing to the amount lapsed to surplus.

Assets

The general fund cash balance of \$21,587.76 was verified by reconciliation of a statement furnished by the Livermore Falls Trust Company, Livermore Falls, Maine.

Accounts receivable totaled \$328.12. This amount included for the most part 1958 welfare expenditures due from the Town of Winslow, Maine.

Taxes receivable totaling \$6,342.67 consisted principally of current year's accounts of \$6,238.12. The balance of \$104.55 represented unpaid taxes dating from 1956.

Tax lien and tax acquired property amounted to \$838.98 and \$3,949.49 respectively.

Liabilities

The general fund liabilities are comprised of a short

term loan of \$7,200.00 and an amount of \$32.27 due the tax collector for prior years' tax overpayments.

Reserves

The appropriation accounts showed a net overdraft of \$6,199.76 carried forward to the ensuing year in accordance with legal requirements and / or customary practice. The accounts include a state aid road construction overdraft which is to be liquidated by annual appropriations during ensuing years.

Excise tax collections of \$2,235.32 are reserved for future allocation by the townspeople.

Surplus

The unappropriated surplus amounted to \$28,308.30, an increase of \$3,482.03 for the year. The change was occasioned principally by a gain on sale of tax acquired property and the net unexpended departmental balance lapsed.

Trust Funds

The trust fund principals totaled \$31,776.19 and unexpended income amounted to \$2,057.34. The cemetery fund principals were increased by the acceptance of funds held by the Lakeside Cemetery Association totaling \$1,424.47 and by an individual fund of \$200.00. Principals and unexpended income are invested in time deposits at the Livermore Falls Trust Company. Two other trust funds were accepted by vote of the townspeople, however the money was not received until after the books closed.

The Memorial School Fund principal totaled \$4,684.29 and the Ministerial and School Fund amounted to \$4,175.50. These funds are invested in time deposits of various banks and U. S. Savings Bonds. The savings bonds were not available due to the absence of the custodian.

In accordance with the provisions of a will of Mary G. Morse, the town accepted and received \$10,000.00 in trust for additional instruction in vocal music in the Livermore schools. The will also provided that \$1,000.00 of the principal amount and interest be used annually for such instruction until said fund is exhausted. The fund balance of \$9,000.00 is on deposit in the Livermore Falls Trust Company.

Departmental Accounts

The departmental operating accounts showed an increase of \$10,779.00 in funds raised by taxation, as compared with the preceding year. Larger appropriations for highways and education were the major factors responsible for the increase.

The departmental overdraft carried forward decreased by \$8,300.85, as compared with the overdraft at the start of the year. The decrease was reflected principally in the state aid road construction account.

General

The townspeople authorized the use of excise tax revenue to reduce the tax levy, and at a special town meeting, to transfer \$1,200.00 from the school maintenance account to the school furniture account.

Recommendations concerning accounting procedures and control were submitted to the municipal officers and treasurer for their attention.

SCOPE OF AUDIT

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

Cash accounts were verified by reconciliation of statements furnished by the depository. Tax and lien accounts were verified, on a test basis, by a review of receipts subsequent to the close of the year.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Excise tax collections were verified by examination of copies of receipts retained by the collector.

Trust fund transactions were reviewed. Surety bond coverage was examined. The minutes of the annual meeting were reviewed for matters concerning financial affairs.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1959, and the results of its operations for the year then ended.

Librarian's Report

1960-1961

The Town appropriation of \$200.00 was used, in part, for operating expenses and the purchase of 52 books. Nine books were bought with the State Aid allowance of \$20.00.

At the June meeting of the Livermore Library Association, it was voted to spend no less than \$75.00 annually for the purchase of books. This has been carried out during the year.

In lieu of Book Fine money, in some instances, 19 used books have been accepted by the Librarian. However, \$3.05 was collected in Fines and was used in purchasing two books.

Again, during the course of the year, neighbors and friends have given a total of 77 books to the Library. The donors are as follows:

Mrs. Ruth Turner, Mark and Sheila Wilkins, Mr. and Mrs. Carroll Poole, Mrs. Esther Records, Mr. and Mrs. Ernest Milkey, Alanna Pulkinen, Mrs. Bertha Wills and The Treat Memorial Library.

Mr. Carleton Bailey of Livermore Falls sends the 'Ford Times' a neat little monthly publication, which contains many pages of interest in traveling and historical sequences throughout the United States.

Nine books have been added to our 'In Memorium' Book Shelf. Eight Reader's Digest Condensed Books, presented by Mr. and Mrs. James E. Philoon of Auburn, in memory of Mary Gordon Morse, and 'A Maine Boy'. The Journal of Ethan Allen Chase 1832-1861, presented by Mrs. Helen Achillis, in memory of her grandfather, Ethan Allen Chase.

More pages have been added to the 'Famous Livermore People' Scrap Book compiled by Mr. Bert Jones.

These pages contain interesting data concerning Warren Bigelow Beckler born in Livermore Center August 3, 1857, Elbridge Harlow Beckler and Seth Hayden Beckler. Also Edgar Nathan Carver, Samuel Benjamin and Captain David Hinckley.

Work has been started on the long planned extension on the rear of the present building. The foundation and the flooring have been completed. It is anticipated that the remaining part of the construction will be completed during 1961.

This addition has been greatly needed for several years. The plans call for ample space for tables and chairs to be placed in a section to be used as a 'Reading and Reference Corner', many more book shelves, and some part of the area reserved for the Guy Briggs' collection of Birds, birds eggs, minerals, shells, Revolutionary and Civil War mementos and many more items of interest. This collection was presented to the Library by Charles M. Keith, a former resident.

A large sum of money required for the erection of this extension was donated by the Fort Halifax Packing Company of Waterville, Maine and Mr. Henry Chase of Huntsville, Alabama. In July, two Food Sales were held at the Library; these netted \$53.00. This sum was added to the building fund.

There is still a long way to go toward the completion of this project, but it is certain that when all the plans involved are in operation, Livermore will have ample cause to be proud of the former 'Little School House' where the boys and girls of a by-gone, but not easily forgotten era, learned reading and 'riting and 'rithmetic and carefully carved their monograms on the lintel of the doorway. Now this building is the Public Library of Livermore, where the book collection has reached more than 5800 during its 44 years of existence.

Books on Religion, Science, and all types of animal

stories are in great demand by Juvenile groups. Twelve books in this category have been added during the year.

The Library was opened every Wednesday afternoon excepting February 3-24, May 4, and September 7.

When school is in session the hours are 1:15 to 4:15. During the summer months 2 to 4.

From July 6 to August 31, inclusive, the Library was opened every Wednesday evening, from 7 to 8. Mrs. Wilma Barbour served as Librarian during this period.

Mrs. Ruth Turner assisted in all Library work throughout the year.

Mr. Homer Davenport served as janitor from October 26 to December 28.

At the annual meeting of the Livermore Library Association, the elected officers are as follows:

President, Oscar Turner; vice President, Grace Davenport; Secretary, Ruth Turner; Librarian, Florence Denny; Treasurer, Milo Denny; Trustees, Yvonne Curry, Esther Records, Clarence Gordon, William Irish, Marshall Barbour, Myrtle Beckler, Wilma Barbour.

Book Committee: Grace Davenport, Yvonne Curry, Ruth Turner, Marshall and Wilma Barbour and Florence Denny.

Circulation from January 1, 1960 to January 1, 1961—2852.

Respectfully submitted,

FLORENCE M. DENNY,

Librarian.

Civil Defense and Public Safety

In summing up the activities for the year 1960, may I say that participation has been very good as in the past.

County staff meetings have been well attended and much valuable information gained.

The annual national alert was held on May 5, 6 and 7th. Our local unit turned out very well and did a fine job. The duration of the alert was cut short by our county director due to poor communications. We were very much pleased to have two of our selectmen visit our control center to observe the exercises and stay for one of the meals served by our mass feeding team.

New appointments made by the director were Mrs. Louise Boothby as mass feeding chief and Mrs. Virginia Robbins as clothing chief.

Our local unit was called out by the county director for hurricane Donna. Police, wardens and communication teams reported for duty. Five cars patrolled the roads in Livermore, reporting to the control center that telephone wires and electric lines were down with trees and debris blocking the roads in places. This information was relayed to proper authorities, who were most grateful to Civil Defense for this service.

The county exercise Hound Dog was held on Sunday, October 9th. Our personnel reported to control center as soon as possible after 12:00 o'clock and were advised to move to the Auburn Airport at one o'clock. Our transportation chief, Bill Irish, made arrangements to transport seventeen of our group, consisting of wardens, police, mass feeding, registration, information and communications.

We were able to get a 5-ton White truck for the town, which has been used for plowing snow this winter. Our selectmen also obtained a typewriter and

desk for the town office, besides some other articles which were needed. All together we received surplus commodities which cost the government \$5,818.39 for \$153.20.

May I take this opportunity to thank all Civil Defense workers for your fine support, which has made it possible for the town to receive the surplus property mentioned above. May we continue our efforts in the coming year that we may be better prepared to meet any existing emergency.

DWIGHT W. LAMB,

Director

Report of Public Health Nursing Service

Public health, in simple terms, is the sum total of the health of individuals and families living in a community. An organized program for public health is one that offers those individuals and families every possible chance of living and enjoying life, free from the handicaps of preventable disease and disability. In more formal terms, the objective of a public health program is to bring to all the people the benefits of modern medical and related sciences including the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

A number of people are involved in the attaining of this objective. All together they make up a "health team". The public health nurse is an essential member of this team. She shares in planning and action with other workers in the fields of health, education, and welfare; with physicians, hospitals, clinics; with school personnel; with citizen groups. One of her important functions is coordination with the others involved to provide public health services to individuals, families, and community. Citizens of the community are also essential members of the health team. Alert to the health needs of their community, taking their share of responsibility to meet these needs, their contribution as health workers is indispensable to the effectiveness of the public health program. A vital, dynamic, working "health team" in the local community strengthens the public health not only of that community, but also of the State and the Nation.

A brief summary of public health nursing services in Livermore follows:

This year because of previously small attendance no child health conference was held at Brettuns, but all preschool children whose parents wished to attend, were invited to the regular monthly conference at Livermore Falls. Twenty-two families have used this service where children are offered physical examination and immunization against whooping cough, diphtheria, tetanus, polio, and smallpox. Physical examinations were done in the schools in grades one, three, six, and immunization boosters offered to all children needing them. Visits were made to children and adults in any family who requested the public health nurse to call.

I wish to thank the town officials, school personnel, the volunteers, and all others who have given valuable assistance in the public health program.

Respectfully submitted,

ELAINE W. MURRAY,

Public Health Nurse

Progress Report of Mouth Health Project

To the Superintending School Committee:

After discontinuation in 1956, a mouth health program has again been resumed for the town of Livermore. The program was recently conducted by a registered dental hygienist from the State Division of Dental Health over a period of 12 days. A total of 13 preschool children and 85 school children in grades 2, 5 and 8 took part in the program. These grades are chosen mainly because they hold the children who have the greatest number of newly erupted teeth.

Each child in the program received the following:

1. An examination of the mouth for normal or

diseased tissue, and of the teeth for decayed, missing and filled teeth.

2. An oral prophylaxis (cleaning and polishing) of the teeth.
3. Individual toothbrushing instructions and suggestions pertaining to the child's own dental needs.
4. A notice was sent home to the parents of each child examined so that they would be aware of their child's dental condition.
5. A series of four applications of sodium fluoride. This is a chemical solution which hardens the enamel of the exposed tooth and thereby reduces the possibility of decay about 40%.
6. There was not time, due to interrupting snow storms and vacation, to examine the children in first grade or to give classroom instructions.

Facts found:

1. Of the 98 children who began the program, 87 completed all four of the sodium fluoride applications.
2. When asked their frequency of dental care, 9 children (9.2%) said they went twice a year; 37.8% went only occasionally or when they had a toothache; 53% said they had never been to a dentist.
3. 27.6% said they brushed their teeth at least twice a day. Since the majority of the children eat lunch at school, they do not have the opportunity to brush after that meal. Instead, they should be encouraged to rinse their mouths well with water after eating, or finish their meal with an apple, piece of celery, or carrot sticks. These

types of food help remove sticky foods from the teeth. 58.1% said they only brushed their teeth occasionally or when reminded by their parents. 14.3% said they never brushed their teeth. Some of these children did not own a toothbrush.

4. A relatively high rate of decay was also found.
 - a. 8 children had either no evidence of decay or had recently completed dental care.
 - b. 37 children had from 1 to 5 decayed teeth.
 - c. 38 children had from 6 to 10 decayed teeth.
 - d. 15 children had 11 or more decayed teeth.
5. The mouths and teeth were also examined for cleanliness. It was found that 33 children had mouths that were generally clean, had no decay or a small amount, and were free from large amounts of food and stains on their teeth. 46 children had mouths which had some accumulation of food and slight stains. 19 children had mouths that were unclean, with large amounts of food debris, calculus, stains, or excessive decay.

From these facts, it is evident that the children and parents of Livermore need to become more aware of the importance of good healthy teeth and regular dental care.

The teeth are important vital organs of the body and are needed for eating, talking, appearance, and general health. The baby teeth (deciduous) also have another important function: that of maintaining space for permanent teeth until they are ready to erupt. Some baby teeth should not come out normally until the child is from 11 to 14 years. Early loss of deciduous teeth is one of the big causes of "crooked teeth."

With proper toothbrushing habits and regular dental care, many dental problems could be avoided, the occurrence of toothaches reduced, and the over-all dental expense reduced considerably.

The sodium fluoride which has been applied to the surfaces of these children's teeth will help prevent further decay of these teeth. It can reduce decay probability about 40%, but it cannot remove decay which is already present, nor will it affect teeth which have not yet come into the mouth. With continuation of sodium fluoride applications at regular intervals, the newly erupted teeth will be treated.

The dental hygienist wishes to thank everyone who helped to make this program a success. Special thanks are due to Mr. Gould, Mr. Crossman, Mr. Lemieux, and to the school bus driver.

Respectfully submitted,

JEAN YOUNG, R. D. H.

Report of Superintendent of Schools

Superintending School Committee

Florence Denny	Term Expires 1961
G. Henry Botka	Term Expires 1962
Helen Harris	Term Expires 1963

Officers of the Committee

Florence Denny	Chairman
Clarence Gould	Secretary

To the Superintending School Committee and the
Citizens of the Town of Livermore:

I herewith submit my annual report of the conditions,
progress, and needs of the schools of Livermore.

Teachers

All of the teachers returned for the school year except Mrs. Elizabeth Boothby at the Brettuns School who was granted a leave of absence until January 1, 1962, and Mrs. Charlotte Fuller who filled the vacancy created by the resignation of Mrs. Clydell Mann Souther at Riverside. Mrs. Ruth Davis of Canton was engaged to fill the vacncy at Brettuns during the leave granted to Mrs. Boothby, and Mrs. Carol Hodgkins Mann filled the vacancy at the Riverside School. After eight weeks, Mrs. Mann resigned and that position was filled by Mrs. Laura Maxwell of Livermore Falls. Mrs. Maxwell had been teaching in Brunswick for several years but moved to Livermore Falls last summer.

The new position created in the departmentalized program in the upper grades at Riverside was filled by Mrs. Mildred Parker who had taught in the junior

high school grades in Leeds for a number of years.

The new teachers are doing exceptionally well, and the progress of the children under their direction is highly satisfactory. We were fortunate to be able to secure the services of such fine teachers.

There is a real need for another teacher to take some of the overload in the intermediate grades, but lack of housing facilities makes it impossible to add another teacher at present. Until we have a new building, the over-crowded conditions will continue, and the children and teachers will be working at a decided disadvantage.

In music, Mr. Shea continues to conduct a fine program in vocal music, and Miss Andre Gauthier of Lewiston has started a band. Previous attempts to start a band were not successful, but the response and interest during the first half of the current year has been encouraging. Over thirty of the children have participated in the program, and nearly all of them are still in the regular weekly classes.

Buildings

The interior of each of the buildings is in better than average condition, but both the Brettuns School and the Payson Smith School need to have the outside painted. The roof on the Payson Smith School was shingled last summer, and it is planned to stain the outside of the building next summer. The following year, the Brettuns School will need to be painted. Then the interior redecorating should be started.

Conveyance

Mr. Henry Morris has been engaged to drive the bus driven by Stanley Boothby, and his services have been very satisfactory. He is an exceptionally fine driver, and his control and influence over the children is of high order.

For several years since the pre-primary grade was returned to our school system, there has been a demand for a school day of one session for the beginners. This year, the demand increased to the point where your committee considered it advisable to try it on a temporary basis from the opening of the second term in January to the time of town meeting. At that time, it will be possible to give an evaluation of the educational advantages to the pupils and a close estimate of the yearly cost of the extra bus trips.

There is no question as to the advantages to the children. Of the two groups of pupils who attend the forenoon session, one group has already started formal reading, and the second group will be ready to read soon after the February vacation. The children in those groups have far better opportunities for development in reading skills when separated from the other two groups of children who will not be ready for formal instruction until the end of the year. The confusion created by the children who are not ready for formal instruction is bound to detract from the effectiveness of the teaching and the amount of learning when all children are in the classroom at one time. The favorable results of separating the children already have become apparent.

Whether or not the educational advantages to the children are worth the added cost must be determined by the citizens of the town. The extra cost of transportation has been figured with the greatest possible care, and the additional cost of the extra bus trips appears to be \$1,852.93 per year. The added cost for drivers and the one contract bus will be \$1,110.00 per year. That is known. The mileage for the two large busses is increased by 31%. Applying that percentage to the cost of operation of the busses gives \$742.93 for the additional cost of operation. The sum of those two figures gives \$1,852.93 as the additional cost of the

extra transportation required for the split session for the pre-primary class.

Enrollment

The total enrollment by schools as of February 1, 1961, is as follows:

Brettuns School	61
Payson Smith	66
Riverside School	196
<hr/>	
Total	323

For the first time in the twelve years for which we have the records, the enrollment has shown a decrease. That is due to two facts. From 1959 to 1960, there was an exceptionally large increase in enrollment, from 291 to 325 or 34. That was nearly three times the normal increase for a single year. In spite of the fact that three large families moved from town last year, the enrollment for this year of 323 shows an average increase of 16 pupils per year for the past two years.

The over-crowded condition in the upper grades was partially solved by adding another teacher and making an additional room in the auditorium at Riverside. However, the congestion in the intermediate grades still persists, and there seems to be no solution of the problem until we have more facilities. The only satisfactory solution would be a new building with eight rooms ready for immediate use and provisions for an additional room ready for use in three years.

School Districts

The School District Study which was conducted last year with the towns of Livermore Falls, Livermore, Fayette, and Wayne did not develop into anything of a constructive nature. Although the educational advantages to be derived from the formation of such a district would be great, the consideration of immediate

costs seemed to outweigh all other considerations.

Another study with the towns of Buckfield, Canton, Hartford, Hebron, Livermore, and Sumner has been contemplated, but there is not sufficient interest in all of the towns at the moment to warrant starting a formal study. There is reason to hope, however, that such a study can be made in the not too distant future.

Finance

An examination of the financial statements for the past year shows a balance of \$5,853.45 in the school maintenance account. During the month of February, however, \$5,846.95 was spent and by the time this report is read there will be further expenditures of over \$2,000.00 which will make a deficit in that account at town meeting time of about \$3,000.00. That does not include nearly \$4,000.00 which has been withheld from the teachers' salaries in order to provide for summer pay. Neither does it include any reserve funds for sick leave for teachers as required by law. If some of the teachers should leave or be sick for any length of time, the deficit would be even greater.

Further examination of the financial statement shows that we had a balance of \$8,783.54 in the school maintenance account at the beginning of the year just closed and a balance of only \$5,853.45 at the close of the year, a difference of \$2,930.09. This difference must be reflected in additional appropriation for the coming year.

Another item to consider is the number of high school students for whom we must pay tuition. At present, we have 74 high school students. Next year, there will be 93. If the 19 additional students attend Livermore Falls, as they plan to do now, the increased expense for those students will be \$4,382.35. The added cost for the 64 high school students who are in school now and will return next year will be \$2,384.01.

The difference in opening balances and tuition costs will necessitate an increase in appropriations for school maintenance over last year of \$9,696.45. That figure accounts for the major part of the increase in the school maintenance appropriation from \$49,316.10 for last year to the amount of \$59,674.27 as recommended for the coming year.

New School Building

The building committee which was created several years ago has not been active during the past two years because of the possibility of forming a school district which would make it possible for the state to participate in the cost of construction. Since there is little hope of forming a district in the near future, Livermore is faced with the immediate need of more housing facilities. At present, we have one room in a part of the auditorium in the basement of the Riverside School. That arrangement will probably provide for absolute necessities for next year, but the following year, the need for another room will be acute.

At the budget meeting, it was decided to have a school building committee appointed for the purpose of making preliminary plans for building construction. It is my sincere hope that a committee consisting of the school committee, the board of selectmen, and some members from the citizens of the town be elected at the annual town meeting with the authority to at least select a suitable site for a new building and be provided with sufficient funds to purchase such a site.

I extend sincere thanks to the citizens of the town for the splendid support which they have given to the school program.

Respectfully submitted,

CLARENCE N. GOULD

Superintendent of Schools

REPORT OF BUDGET COMMITTEE MEETING

The Annual Budget Committee Meeting was held at Payson Smith School on Feb. 10. Lewis Berry was chosen as Moderator and Dwight Lamb Clerk. The following recommendations were made.

CLARENCE GOULD,

Supt. of Schools

Warrant for Town Meeting

To Myrtle S. Beckler, Constable of the Town of Livermore, County of Androscoggin and the State of Maine,

GREETINGS:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in Town Affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said town of Livermore, on the 11th day of March, A. D. 1961, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2 Chap. 70 of the Public Laws of 1921, of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor, for three years, Town Treasurer, Road Commissioner and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:00 p.m.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where

they occur and raise necessary sums of money to cover overdrafts. No overlay to be put into Unappropriated Surplus Account.

Art. 5. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$2,000.00.

Art. 6. To see what sum of money the Town will vote to raise for Support of Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$12,000.00.

Art. 7. To see what sum of money the Town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$3,000.00.

Art. 8. To see if the Town will vote to have the Livermore Falls Fire Department answer fire calls, the same charge to be made as is charged the Town of Jay or act anything in relation thereto.

Art. 9. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fighting equipment, and answer fire calls or act anything in relation thereto.

Art. 10. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee, Selectmen and Road Commissioner, and to appoint one member of the Committee or act anything in relation thereto.

Budget Committee recommends: \$4,000.00.

Art. 11. To see what sum of money the Town will vote to raise for care of Summer Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$4,000.00.

Art. 12. To see what sum of money the town will vote to raise for Winter Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$9,000.00.

Art. 13. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for care of Highways and Bridges) under the provisions of Section 25 and 29, Chap. 30. R. S., as amended.

Budget Committee recommends: \$1,200.00.

Art. 14. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Woman's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends: \$50.00.

Art. 15. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends: \$400.00.

Art. 16. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine, in ac-

cordance with the provisions of Chapter 91, Section 108 of the R. S. of 1954.

Budget Committee recommends: \$75.00.

Art. 17. To see what sum of money the Town will vote to raise for Care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$150.00.

Art. 18. To see if the Town will vote to raise the sum of \$150.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the State Bureau of Health for local service or act anything in relation thereto.

Budget Committee recommends: \$150.00.

Art. 19. To see what sum of money the Town will vote to raise for Civil Defense and Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$400.00.

Art. 20. To see what sum of money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$3,500.00.

Art. 21. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$1,300.00.

Art. 22. To see what sum of money the Town will

vote to raise for School Maintenance for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$61,527.20.

Art. 23. To see what sum of money the Town will vote to raise for Repair of Schoolhouses for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$969.31.

Art. 24. To see what sum of money the Town will vote to raise for purchase of School Furniture or act anything in relation thereto.

Budget Committee recommends: \$36.27.

Art. 25. To see what sum of money the Town will vote to raise for salaries of Members of the Supintending School Committee for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$75.00.

Art. 26. To see what sum of money the Town will vote to raise for Purchase of School Bus or act anything in relation thereto.

Budget Committee recommends: \$5,451.46.

Art. 27. To see if the Town will vote to authorize the Superintending School Committee to sell the 1953 Chevrolet School Bus at any price above the Trade-In Value and apply the proceeds to the purchase of the new bus.

Art. 28. To see if the Town will vote to appoint a Committee to consider a location and make preliminary plans for a Central School and report at the next Annual Meeting or act anything in relation thereto.

Art. 29. To see what sum of money the Town will vote to raise to co-operate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with R. S. of 1954, Chapter 36, Sec. 69 or act anything in relation thereto.

Budget Committee recommends: \$300.00.

Art. 30. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 31. To see if the Town will vote to charge $\frac{1}{2}$ of 1% interest per month or fraction thereof on all unpaid taxes as of December 15th, 1961 the date on which they are due and payable or act anything in relation thereto.

Art. 32. To see if the Town will authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chap. 5 of the R. S. and all acts amendatory thereof and additional thereto.

Art. 33. To see if the Town will vote to raise the sum of \$1,200.00 to pay the interest on Temporary Loans.

Budget Committee recommends: \$1,200.00.

Art. 34. To see if the Town will vote to authorize its Selectmen to sell such Tax Lien property as they deem advisable at Public Auction, or by advertised

sealed bids, to be accepted or rejected by the Selectmen, except that which they see fit to sell to its former owner or act anything in relation thereto.

Art. 35. To see if the Town will vote to authorize its Selectmen to sell Town Owned properties with a valuation of \$150.00 or less at private sales or act anything in relation thereto.

Art. 36. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 37. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 38. To see what sum of money the Town will vote to raise for Social Security on Town Employees.

Budget Committee recommends: \$650.00.

Art. 39. To see if the Town will vote to have a Street Light installed on Route #108 at the intersection leading North near the residence of Leslie B. Boothby or act anything in relation thereto.

Art. 40. To see if the Town will vote to construct a fence on the east side of Dump to keep paper from blowing on to property between the Dump and Route #4 or act anything in relation thereto.

Art. 41. To see what sum of money the Town will vote to raise for Care of the Town Dump, for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$300.00.

Art. 42. To see if the Town will vote to accept as Town Ways the established streets, Marcus Street and Keith Street, in the Brettuns Beach Development or act anything in relation thereto.

Art. 43. To see if the Town will vote to change the date of closing its books to January 15 or act anything in relation thereto.

Art. 44. To see if the Town will vote to raise the sum of \$350.00 for Insurance on Town Owned Property.

The Selectmen hereby give notice that they will be in session for the purpose of correcting the list of voters at the Town Office on March 3rd and March 10th, 1961 from 2:00 p.m. until 5:00 p.m.

Auditor's Report

July 28, 1961

Board of Selectmen
Livermore,
Maine

Gentlemen:

In accordance with the provisions of Section 26, Chapter 90-A, Revised Statutes of 1954, and at your request, the financial records of the Town of Livermore have been audited for the municipal year ended December 31, 1960.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the results of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN,
Public Accountant

COMMENTS

Town of Livermore

January 1, 1960 to December 31, 1960

An audit of the financial records of the Town of Livermore has been completed for the fiscal year ended December 31, 1960. The audit consisted of an examination of the records maintained by the Selectmen, Assessors, Tax Collector and the Town meeting records of the Town Clerk.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and supporting schedules.

An analysis of the results of the fiscal year's operations showed that net departmental balances lapsed to surplus amounted to \$1,441.84. Supplemental taxes and the overlay account were the principal factors contributing to the amount lapsed to surplus.

Assets

The general fund cash balance of \$12,562.42 was verified by reconciliation of a statement furnished by the Livermore Falls Trust Company, Livermore Falls, Maine.

Accounts receivable amounted to \$446.18 and consisted principally of reimbursible expenditures for State and other Town charity cases.

Taxes receivable totaling \$7,106.22 consisted principally of current year's accounts of \$7,011.12. The balance of \$95.10 represented unpaid taxes dating from 1958.

Unmatured tax liens applied on 1959 real estate taxes amounted to \$377.00 at the close of the municipal year.

Tax acquired property, representing tax liens more than eighteen months old, amounted to \$3,444.13 at the year end. This account was carefully reviewed with the Town officers and a number of liens charged off after it was determined

that the liens had been paid in prior years and that they were being carried erroneously.

Liabilities

General fund liabilities consisted of an amount due to Tax Collector carried forward from a previous report of audit.

Reserves

The appropriation accounts showed a net balance of \$3,660.76 carried forward to the ensuing year. All appropriation accounts are carried forward by vote of the Townspeople in this municipality.

Excise tax collections of \$2,721.06 are reserved for future allocation by the Townspeople.

A reserve for possible losses in the collection of matured tax liens is carried forward on the balance sheet from the preceding year.

Surplus

The unappropriated surplus of the Town amounted to \$16,050.97, a decrease of \$12,257.33 as compared with the preceding year. The change was occasioned principally by the transfer of a state aid road overdraft to the surplus account.

Trust Funds

Trust fund principals totaled \$36,987.79 at the year end while unexpended income amounted to \$2,162.82. These were represented by time deposits of \$33,150.61 and U.S. Savings Bonds amounted to \$6,000.00 at the closing date.

New trust funds received during the year included \$4,162.50 from the Waters Hill Cemetery Association and \$2,000.00 from the estate of Mary G. Morse for perpetual care of her lot in Lakeside Cemetery.

Trust fund income amounted to \$1,044.59 for the year under review while \$929.10 was expended in accordance with the terms of the various trusts.

Departmental Accounts

Departmental operating accounts showed a decrease of \$2,876.10 in funds raised by taxation, as compared with the preceding year. Larger appropriations from surplus and other available sources accounted for the decrease revenue from tax sources.

The departmental overdraft carried forward from 1959 changed to an unexpended balance of \$3,660.76, carried forward to 1961, as the result of lapsing the overdraft balance in the state aid road account to unappropriated surplus.

General

The townspeople authorized the use of excise tax receipts to reduce the tax levy. They also voted to transfer \$2,000.00 from the Town owned property account and \$1,000.00 from the Town Forest account for the same purpose.

Recommendations

Emphasis should be placed on the sale of tax acquired property and settlement of tax liens, as authorized by statute.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting statements fairly present the financial position of the Town at December 31, 1960, and the result of its operations for the year then ended.

Vital Statistics

Deaths 1959

November

- 25 Bertha Gosselin, at Lewiston, age 50.

Deaths 1960

March

- 3 Lawrence Castonguay, at Lewiston, age 39.

Deaths 1961

January

- 21 Kenneth Craft, at Georgetown, age 53.

April

- 27 Chester P. McDaniel, at Livermore Falls, age 70.

May

- 17 Carroll W. Timberlake, at Lewiston, age 81.

June

- 6 Elva Fuller Tripp, at Livermore, age 65.
6 Eva Harnden, at Augusta, age 76.

July

- 1 Mary Emma Hodge, at Livermore, age 86.
4 Irving Bradford Shaw, at Livermore, age 39.
4 Clyde Gordon, at Livermore, age 43.
4 William Brown, at Livermore, age 14.

September

- 13 Laruth Alwill Gordon, at Livermore, age 59.

- 22 David Baum, at Livermore, age 69.
26 Dollard J. Maheau, at Livermore, age 54.

October

- 12 Charles Donald Hayford, at Livermore, age 67.

November

- 26 Estella M. Held, at Lewiston, age 56.
30 Ruhamah Louisea Coolidge, at Livermore, age 78.

December

- 16 Everett L. Staples, at Livermore, age 69.

There were thirty-three births reported and twenty-five marriages during 1961.

Respectfully submitted,

OSCAR TURNER,

Town Clerk, Livermore

Librarian's Report

LIVERMORE PUBLIC LIBRARY

1961-1962

The Town appropriation of \$200 was used in part for operating expenses and the purchase of 24 adult, 15 young adult and 62 juvenile books. 13 juvenile books were bought with the State Aid money of \$20. The sum of \$3 in Book Fines, was used to purchase 2 books. In lieu of Book Fine money, in some instances, 14 used books were accepted by the Librarian.

Again, during the course of the year, neighbors and friends have given a total of 129 books to the Library. The donors are as follows:

The South Livermore Farm Bureau (a 20 volume set of World Book Encyclopedias, a gift greatly appreciated, and in constant use by all groups.) Mrs. Pauline Moore, Conrad and Carole Tidswell, Sheila and Mark Wilkins, Marie Curry, Alanna Pulkinen, Miss Ann Bradford (Turner), Mrs. B. H. Hall (Turner), Moody Literature Mission (Chicago Ill.), Mrs. Gertrude Hayford, Mrs. Louise Dixon, Mr. and Mrs. Warren Enos, Mrs. Guy Sanders, Mrs. Lettie Gordon, Mrs. Esther Records, Miss Nina Bradford, Mrs. Florence Denny and Mr. and Mrs. Alfred Carver. 1 book has been added to our 'In Memoriam' Book Shelf—'My Heart Shall Not Fear' presented by Mrs. Louise Dixon, in memory of Mrs. Lizzie Adkins.

'Famous Livermore People' a scrap book compiled by Mr. Bert Jones, has been completed and is in constant use as a ready reference for all groups interested in the many famous citizens of Livermore's past history.

At the 1961 Town Meeting, an additional \$200 was raised to assist in the construction of the extension on the rear of the Library building, which at this time was nearing

completion. The Fort Halifax Packing Company of Waterville, Maine, again donated a large sum of money to be added to the Building Fund.

The Extension, otherwise known as 'The Children's Room' has been in use since August 15. The Charles Keith collection of birds are on display at present. Adults and children have been very interested in the many specimens shown. The bulk of Mr. Keith's valuable and unique collection will be placed on shelves along the northwestern side of the new building.

The Reading and Reference Corner offers ample space for tables and chairs to accommodate those who care to read and study, where every type reference material is within reach to children, young adults and adults.

New tables and chairs are needed for the 5 to 8 year group. It is hoped these will be made available during 1962.

The grounds surrounding the Library have taken on a new look, too. The old Barberry hedges have been removed and the space in front and the sides of the building has been filled in and seeded. There is a new flagpole donated by Mr. and Mrs. Homer Davenport and a new flag presented by Mr. and Mrs. Milo Denny, which proudly waves during Library hours.

It was evident for quite some time that many of our very old books beyond repair, out-dated volumes and those not in circulation for years, must go in order to make available, much needed shelf room, and to install a more modern system in the arrangement of our unusual number of books.

Upon request, 2 Library Extension personnel from the Maine State Library arrived on April 13 to assist in the discarding of books, and also to impart information and instructions as to the Dewey Decimal System.

Mrs. Ruth Turner, Mrs. Esther Records, Mrs. Wilma Barbour and Mrs. Florence Denny began the task of discarding and continued to do so for several weeks thereafter. To date, 848 books have been discarded, titles removed from the files and decataloged in the Record Books. Mrs.

Hilda Kirwan also assisted in this phase of the work.

The Library was opened every Wednesday afternoon excepting January 25—February 22—April 19 and December 20.

When school is in session the hours are generally 1:30 to 4:30, but due to the increase in circulation during the months of January, February, March, September, November and December, the Library remained open until 5:15 P.M. From July 19 to August 26 inclusive, the Library was opened every Wednesday evening from 7 to 8. Mrs. Wilma Barbour served as Librarian during this period.

Mrs. Ruth Turner and Mrs. Hilda Kirwan assisted in all Library work throughout the year.

Mr. Homer Davenport served as janitor from January to April. Mr. Milo Denny volunteered his services from September to December.

At the Annual Meeting of the Livermore Library Association, the following officers were elected.

President, Oscar Turner; Vice President, Grace Davenport; Secretary, Ruth Turner; Treasurer, Milo Denny; Librarian, Florence Denny; Trustees: Marshall Barbour, Wilma Barbour, William Irish, Myrtle Beckler, Clarence Gordon, Esther Records and John Kirwan.

Our Association Meetings are always held at the Library the last Wednesday in June at 7:30 P.M. All interested citizens have been invited to attend. The invitation is extended again in 1962.

There are now 5983 books in the Library and during the year 80 adult, 101 juvenile and 23 young adult patrons have been served. The circulation from January 1, 1961 to January 1, 1962 amounted to 3463.

At this time, I would like to take the opportunity to extend appreciation and gratitude to the ex-members of the late South Livermore Farm Bureau for their thoughtfulness and kindness in presenting the Library The World Book Encyclopedia. Also to our neighbors and friends who donated so many fine books, and to those who made it

possible to have our Flag flying during Library hours. A special 'Thank You' is due to all those who gave so much of their time in the new arrangement of books and shelves.

Respectfully submitted,

FLORENCE M. DENNY,

Librarian

Civil Defense and Public Safety

In January of 1961 we were issued from county a Mobile Feeding Unit for training purposes in the northern part of the county, also for emergencies which might arise, requiring the feeding of a group of civil defense workers. Only one such call was issued. That for a drowning in Lincoln County. However, the bodies were recovered by skin-divers before it became necessary for us to go. We did have this unit in three parades, the Memorial Day parade at Livermore Falls, the Jay and Wilton Firemen's Field Day parade at Wilton and the Lewiston Centennial parade.

In April the national alert was held. Traffic was halted for ten minutes by Police Captain William Botka and his assistants. All schools in the town participated. Radio communications were set up at the control center, where messages were received and sent to county control in Auburn. I want to thank Mr. and Mrs. Milo Denny and Mr. and Mrs. Henry Briggs and their assistants for working throughout the night to keep in contact with county control.

We also received through the surplus commodities program a 1050 gallon steel tank for the fire department to be used for carrying a surplus supply of water for our fire trucks.

Personnel were trained at Auburn in two different classes

—communications and radiac. Through this latter program we were issued a complete set of instruments for detecting radio active fallout. Radiac reports have been sent to the county each week by radio or telephone.

This being my last report as your director, I want to thank all of the Civil Defense personnel for their fine support over the past ten years and may you continue this support under your new director whoever he or she may be.

Respectfully submitted,

DWIGHT W. LAMB,

Director, Civil Defense & Public Safety

Report of Public Health Nursing Service

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimal health. Your public health nurse carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; and through organized community programs for prevention of illness and promotion of health.

A summary of public health nursing services given in the town of Livermore during the year 1961 follows:

In your town 129 nursing visits were made to homes to encourage early medical care for expectant mothers; to discuss with parents the growth and development of the well child; to interpret the recommendations of the family doctor, the child health conference or clinic physician; and to assist in planning, with the family, home care for an aging member or one with acute or chronic illness.

Twenty-six visits were made to schools to discuss with teachers plans for the school health program and healthful school living. Other school visits were made to assist with physical examinations and the immunization program for school children.

Monthly Child Health Conferences for the towns of Livermore Falls and Livermore have been held at Murray Hall. 85 infants and 172 pre-school children attended. Examinations and immunizations were offered to each child. Most of the infants completed their series of diphtheria, whooping cough, tetanus, and polio immunizations. Less than half of these requested smallpox vaccination. Booster shots were given the pre-school children who already had their initial immunizations.

Regular Health Council meetings have been held quarterly. The Public Relations and Education Committee has met monthly to fulfill its responsibility in interpreting the aims and activities of the Health Council to the community and to plan a program to meet its needs. Health Council members have contributed a great deal of time assisting the public health nurse in carrying out her program. They participated in many activities including child health conferences, school immunizations and examinations and transportation of children and their parents to keep clinic appointments.

Sincere thanks is expressed to all of the many individuals and organizations who have given assistance with our program.

Respectfully submitted,

ELAINE W. MURRAY,

Public Health Nurse

Report of Superintendent of Schools

Superintending School Committee

G. Henry Botka	Term Expires 1962
Helen Harris	Term Expires 1963
Walter Goodwin	Term Expires 1964

Officers of the Committee

G. Henry Botka	Chairman
Clarence Gould	Secretary

To the Superintending School Committee and Citizens
of the Town of Livermore:

I herewith submit my annual report of the conditions,
progress and needs of the schools of Livermore.

Teachers

At the close of the school year last June, Mr. Crossman resigned his position at the Riverside School to accept a position in Virginia and Mrs. Gile resigned and accepted a position in Wayne.

The vacancy in the principalship at Riverside was filled by Mr. Neil Lemieux who had been teaching in the fifth grade. The fifth grade position was filled by Mr. John Tribou of Dixfield, a graduate of Farmington Teachers College in the class of 1961. The position created by the resignation of Mrs. Gile was filled by another teacher from Farmington, Mrs. Elizabeth Smith. We were fortunate in obtaining such good teachers to fill the vacancies on our staff and retain the services of all the other teachers who were previously employed. The progress of the children

under the direction of our present corps of teachers is showing steady improvement.

In music, Mr. Shea and Miss Gauthier continue the fine work which they did last year, and the progress of the children in that department is generally satisfactory. As time goes on, it is hoped that more children will avail themselves of the opportunities which are being offered and that a more nearly complete course in music can be given to them.

Buildings

The interiors of the buildings are in quite good condition and the building at North Livermore is in good condition throughout. Nothing except some interior redecorating should be needed at that building for several years. The Brettuns building needs a coat of paint which is anticipated in the budget for the coming year.

The Riverside School, as nearly everyone agrees, should be replaced. The building is inadequate for the present enrollment and it seems necessary to make another room in the basement for next year if a new building is not provided before school opens in September.

The enrollment in the intermediate grades has increased to the point where another room is an absolute necessity. Mrs. Mosher has had 38 pupils registered this year; Mrs. Hinkley, 34; and Mr. Tribou, 39. Next year, the enrollment in those rooms will be even greater. Mrs. Gibbs takes the overflow in the primary grades with pupils on three grade levels. The overflow in the upper grades was provided for by departmentalization and the addition of another teacher two years ago. Provisions for the increased numbers in the intermediate grades must now be made, and the only manner in which this can be done with our present housing facilities is by installing a partition in the auditorium room in the basement at Riverside making a second classroom there. This, of course, would be an ap-

proved arrangement only on a temporary basis. However, it seems to be the only solution of our housing problem until we have a new building.

Finance

An examination of the financial statement shows a balance of \$5,386.78 in the school maintenance account. That balance comes from the extra state subsidy derived from the passage of Governor Reed's supplemental budget at the special session of the legislature. The budget, as I explained to you last year, carried the amount of \$5,668.00 for Livermore. I also told you that it would not be necessary to use that extra money if there was no emergency. A small part of the extra subsidy had to be used because of the change in the date on which the books were closed. By changing the date of the closing of the books from December 31 to January as voted at the last town meeting, one additional payroll was included in the fiscal year.

School District Study

The School Administrative District study which is currently in progress including the towns of Buckfield, Canton, Hartford, Livermore, Sumner, and Turner has been tentatively completed as far as the work of the Finance Committee. The study by that committee has been postponed until all of the town budgets for next year have been prepared. The reason for that is to make it possible to have the most up-to-date figures possible on which to base the costs to the various towns. If the figures on file in Augusta are used, all estimates will be made on the costs for 1960-61. The figures for the year just closed will not be sent to Augusta until next summer. Therefore, any estimates based on figures obtained from that source would be two years old by the time our study could be completed.

At present the study contemplates building a senior high

school building and a junior high school building on the same lot in a central location at some place near North Turner. Leavitt Institute will be converted into a grade school and new grade schools will be built for Livermore and for Hartford and Sumner combined. Should this plan develop and become a reality, it would provide wonderful educational opportunities for the boys and girls in this area.

I extend my sincere thanks and appreciation to all of the citizens of Livermore for the splendid support of our school program.

Respectfully submitted,

CLARENCE GOULD,

Superintendent of Schools

REPORT OF THE SPECIAL SCHOOL BUILDING COMMITTEE

At the Livermore town meeting on March 11, 1961, a Special School Building Committee was elected "... to consider a location and make preliminary plans for a Central School and report at the next Annual Meeting...". The members named to the committee were: G. Henry Botka, Helen Harris and Walter Goodwin of the Superintending School Committee; Thomas Nichols, Earl Beckler and Lowell Bowles of the Board of Selectmen, and the following members elected at large: Raymond Lovewell, Thomas Berry, Lewis Harmon, Oscar Turner and Leslie Boothby.

On March 21, 1961, the committee held its first meeting and elected the following officers:

G. Henry Botka	Chairman
Thomas Berry	Vice-Chairman
With Clarence Gould, Secretary, ex officio.	

Since that time, five more meetings have been held and many different locations for a new school were discussed. Some of the lots considered were:

The Bryant field at North Livermore

The field on the Gibbs Mills Road opposite Turcotte's

The field on the Gibbs Mills Road adjacent to Castonguay's

Castonguay's field at Gibbs Mills

A field on the crossroad from the River Road

Berry's Pasture at North Livermore

Tidswell's field at Dudley's Corner

Pulkkinen's field at Dudley's Corner

A field on the Town Farm near Charles Castonguay's

A field at North Livermore owned by Alfred Gammon and Theodore Berry

Land on the Norlands' property

The Botka field on the West Side

The Eames field opposite Victor Weed's

At a meeting held on Nov. 16, 1961, the Superintending School Committee was instructed to draw up a report on the needs for a new school to replace the Riverside School and the location for a new school. The report of the School Committee follows:

**Report of the Superintending School Committee
of Livermore, Maine**

on the

**Needs for a New School Building to Replace
the Riverside School and**

Possible Location of the New School

Needs for New School

School population is increasing at a rapid rate.

Sub-Primary running on half sessions.

One teacher takes the overflow from primary grades with groups between first and second grade levels, second grade

level, and between second and third grade levels.

Congestion in grades six, seven, and eight has been, in a manner, relieved by departmentalization in those grades and adding one teacher. However, the additional teacher and her pupils are being housed in a basement room which does not meet the standards of a classroom and is not acceptable to the State Department of Education on more than a temporary basis.

Enrollment in the intermediate grade levels requires one more additional teacher. The three teachers in those grade levels have 37, 34, and 39 pupils in rooms which are barely adequate for 30 pupils. That condition can not be remedied because no room is available for the overflow.

Two new classrooms are needed now, and projected enrollment figures indicate that two more rooms will be needed within the next five years. The average increase in school enrollment since 1949 shows that one more classroom will be needed every three years.

The Riverside School Should Be Replaced.

Its location on Rt. 4 with no place for loading and discharging bus pupils except on the highway is unsatisfactory and dangerous.

The building is inadequate for the number of pupils currently enrolled.

The heating system is inadequate and unsafe.

The water supply is unsatisfactory.

The playground area is decidedly inadequate.

Parking facilities are lacking.

The Bryant Field at North Livermore is the Logical Place for the New Building.

The shape of the lot is satisfactory and the size is adequate for the building which is needed now and it provides space for later expansion.

The location is satisfactory, being at a point where roads from all sections of the town coverage, near the concentration of population so that pupils can be transported with

a minimum of travel with empty buses, near the Payson Smith School and off the main highway.

The lot requires very little clearing and grading.

The lot has natural drainage.

The Bryant Field Seems to be the Only Satisfactory Site for the New Building.

The Botka field on the West Side is inadequate in size, inaccessible and entirely rocks and ledges.

The Berry-Gammon field at North Livermore is inadequate in size and unsatisfactory in shape, being long and narrow.

The Berry pasture is inaccessible having no frontage on any road, and would require excessive clearing and grading.

The Pulkkinen and Pettingill fields at Gibbs Mills are inadequate in size and have very poor drainage.

The Tidswell and Pulkkinen fields at Dudley's Corner are not properly located for efficient conveyance of pupils and are close to a large chicken house which causes an offensive odor.

The field opposite Victor Weed's on the River Road is located so far from the three centers of population that transportation would be decidedly unsatisfactory.

The field at the Norlands, in addition to being in a poor location from the point of view of conveyance, presents a problem of obtaining title.

Conclusion

The Bryant field at North Livermore should be acquired for the new school building site.

Signed:

G. HENRY BOTKA,

Chairman

HELEN HARRIS

WALTER GOODWIN

CLARENCE GOULD,

Secretary

Superintending School Committee

After consideration of the desirability of the various lots with respect to adequacy and location, the availability of all the desirable lots was determined, and it was found that the most desirable lot is not available.

On Feb. 5, 1962 the committee voted to recommend two locations:

"The Eames field opposite Victor Weed's as first choice"

"The Pulkkinen field at Dudley's Corner as second choice"

In addition, the committee voted the following resolutions:

"1. We need a new school of at least eight rooms.

2. In order to make this possible, we should belong to a school district. Therefore, we further recommend that the Town should make a positive effort to join a school district in the immediate future."

HENRY BOTKA,
Chairman

REPORT OF BUDGET COMMITTEE MEETING

The Annual Budget Committee Meeting was held at Payson Smith School on Feb. 10. Leslie E. Boothby was chosen as Moderator and Oscar Turner, Clerk. The following recommendations were made:

Warrant for Town Meeting

To Myrtle S. Beckler, Constable of the Town of Livermore, County of Androscoggin and the State of Maine,

GREETINGS:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in Town Affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said town of Livermore, on the 10th day of March, A. D. 1962, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2 Chap. 70 of the Public Laws of 1921, of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor, for three years, Town Treasurer, Road Commissioner and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:00 p.m.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where they occur and raise necessary sums of money to cover overdrafts. No overlay to be put into Unappropriated Surplus Account.

Art. 5. To see if the Town will vote to transfer the balance of the Interest on State Aid Loans Account, \$34.27, to Interest on Temporary Loans Account or act anything in relation thereto.

Art. 6. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$2,000.00.

Art. 7. To see what sum of money the Town will vote to raise for Support of Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$15,000.00.

Art. 8. To see what sum of money the Town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$1,500.00.

Art. 9. To see if the Town will vote to raise the sum of \$3,500.00 to pay on the Loan on Fire Truck or act anything in relation thereto.

Budget Committee recommends: \$3,500.00.

Art. 10. To see if the Town will vote to have the Selectmen make satisfactory arrangements with Livermore Falls Fire Department to answer fire calls, after checking with our own Department, if available, before going out, and to stand by for official call, the same charge to be made as is charged other towns or act anything in relation thereto.

Art. 11. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fighting equipment, and answer fire calls or act anything in relation thereto.

Art. 12. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee, Selectmen and Road Commissioner, and to appoint one member of the Committee or act anything in relation thereto.

Budget Committee recommends: \$3,200.00.

Art. 13. To see if the Town will vote to transfer the Overdraft on Glove Shop Hill Road, \$6.65, to Summer Roads Account or act anything in relation thereto.

Art. 14. To see what sum of money the Town will vote to raise for care of Summer Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$4,000.00.

Art. 15. To see what sum of money the Town will vote to raise for Winter Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$7,000.00.

Art. 16. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for care of Highways and Bridges) under the provisions of Section 25 and 29, Chap. 30, R. S., as amended.

Budget Committee recommends: \$1,200.00.

Art. 17. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Women's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends: \$50.00.

Art. 18. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 19. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine, in accordance with the provisions of Chapter 91, Section 108 of the R. S. of 1954.

Budget Committee recommends:

Art. 20. To see what sum of money the Town will vote to raise for care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$200.00 and \$200.00 for the New Town Cemetery.

Art. 21. To see if the Town will vote to raise the sum of \$270.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service or act anything in relation thereto.

Budget Committee recommends: \$270.00.

Art. 22. To see what sum of money the Town will vote to raise for Civil Defense and Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends:

Art. 23. To see what sum of money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$3,650.00.

Art. 24. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$1,300.00.

Act. 25. To see if the Town will vote to buy a Power Broom and raise money for the same or act anything in relation thereto.

Budget Committee recommends: \$800.00.

Art. 26. To see if the Town will vote to buy one new Blade for Snow Plow and raise money for the same or act anything thereto.

Budget Committee recommends: \$1,000.00.

Art. 27. To see what sum of money the Town will vote to raise for School Maintenance for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$79,110.66.

Art. 28. To see what sum of money the Town will vote to raise for Repair of Schoolhouses for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$360.00.

Art. 29. To see what sum of money the Town will vote to raise for purchase of School Furniture or act anything in relation thereto.

Budget Committee recommends: \$55.00.

Art. 30. To see what sum of money the Town will vote to raise for salaries of Members of Superintending School

Committee for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$75.00.

Art. 31. To see what sum of money the Town will vote to raise to co-operate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with R. S. of 1954, Chapter 36, Sec. 69 or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 32. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 33. To see if the Town will vote to charge $\frac{1}{2}$ of 1% interest per month or fraction thereof on all unpaid taxes as of December 15th, 1962 the date on which they are due and payable or act anything in relation thereto.

Art. 34. To see if the Town will authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chapter 5 of the R. S. and all acts amendatory thereof and additional thereto.

Art. 35. To see what sum of money the Town will vote to raise to pay the interest on Temporary Loans.

Budget Committee recommends: \$1,400.00.

Art. 36. To see if the Town will vote to authorize its Selectmen to sell such Tax Lien Property as they deem advisable at Public Auction, or by advertised sealed bids, to

be accepted or rejected by the Selectmen, except that which they see fit to sell to its former owner or act anything in relation thereto.

Art. 37. To see if the Town will vote to authorize its Selectmen to sell Town Owned Properties with a valuation of \$150.00 or less at private sales or act anything in relation thereto.

Art. 38. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 39. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Budget Committee recommends: \$200.00.

Art. 40. To see what sum of money the Town will vote to raise for Social Security on Town Employees.

Budget Committee recommends: \$750.00.

Art. 41. To see if the Town will vote to have a Street Light installed on Route #108 at the intersection leading North near the residence of Leslie B. Boothby or act anything in relation thereto.

Art. 42. To see what sum of money the Town will vote to raise for Care of the Town Dump for the ensuing year or act anything in relation thereto.

Budget Committee recommends: \$50.00.

Art. 43. To see what sum of money the Town will vote to raise for Insurance on Town Owned Property.

Budget Committee recommends:

Art. 44. To see if the Town will vote to publish the names of people receiving aid from the Town, in the Town Report.

Art. 45. To see if the Town will vote to make the New Cemetery an Annex to Lakeside Cemetery or act anything in relation thereto.

Art. 46. To see if the Town will vote to have a board of five men appointed to work in conjunction with the Assessors for the purpose of adjusting the value of Real Estate in the Town of Livermore or act anything in relation thereto.

The Selectmen hereby give notice that the Registrar of Voters will be at the Town Office on March 9th, 1962 from 2:00 p.m. to 5:00 p.m. for the purpose of correcting the list of voters.

AUDITOR'S REPORT

September 11, 1962.

Board of Selectmen,
Livermore, Maine.

Gentlemen:

In accordance with the provisions of Section 26, Chapter 90-A, Revised Statutes of 1954, and at your request, the financial records of the Town of Livermore have been audited for the municipal year ended January 15, 1962.

As required by statute, one copy of this report together with the audit procedural form prescribed by the State auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN,
Public Accountant.

COMMENTS

TOWN OF LIVERMORE

January 1, 1961 to January 15, 1962

An audit of the financial records of the Town of Livermore has been completed for the fiscal year ended January 15, 1962. The audit consisted of an examination of the records maintained by the Selectmen, Assessors, Tax Collector and the Town meeting records of the Town Clerk.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and supporting schedules.

An analysis of the results of the fiscal year's operations showed that net departmental balances lapsed to surplus amounted to \$1,381.78. Supplemental taxes and the overlay account were the principal factors contributing to the amount lapsed to surplus.

ASSETS . . . The general fund cash balance of \$7,687.97 was verified by reconciliation of a statement furnished by the Livermore Falls Trust Company, Livermore Falls, Maine.

Accounts receivable amounted to \$3,660.35 and consisted principally of reimbursable expenditures for charity expenses and purchase of a new school bus.

Taxes receivable totaling \$8,380.50 consisted principally of current year's accounts of \$8,156.56. The balance of \$223.94 represented unpaid taxes dating from 1958.

Unmatured tax liens applied on 1960 real estate taxes amounted to \$474.60 at the close of the municipal year.

Tax acquired property, representing tax liens more than eighteen months old, amounted to \$3,535.13 at the year end.

LIABILITIES . . . General fund liabilities consisted of Notes Payable totaling \$7,000.00 at the year end. These notes, issued for purchase of a new fire truck, are held by Livermore Falls Trust Company.

RESERVES . . . The appropriation accounts showed a

net balance of \$1,660.54 carried forward to the ensuing year. All appropriation accounts balances are carried forward by vote of the Townspeople in this municipality.

Excise tax collections of \$3,248.02 are reserved for future allocation by the Townspeople.

A reserve for possible losses in the collection of matured tax liens is carried forward on the balance sheet from the preceding year.

SURPLUS . . . The unappropriated surplus of the Town amounted to \$10,359.10, a decrease of \$5,691.87 as compared with the preceding year. The change was occasioned principally by the issue of town notes for purchase of fire fighting equipment.

TRUST FUNDS . . . Trust fund principals totaled \$36,113.60 at the year end while unexpended income amounted to \$2,175.57. These were represented by time deposits of \$32,289.17 and U. S. Savings Bonds amounting to \$6,000.00 at the closing date.

DEPARTMENTAL ACCOUNTS . . . Departmental operating accounts showed an increase of \$19,355.97 in funds raised by taxation, as compared with the preceding year. Larger appropriations were noted for education and charity purposes.

Departmental balances carried forward to the ensuing year decreased by \$2,000.22 as compared with the preceding year. This decrease was occasioned principally by an increase in the Town Poor overdraft.

GENERAL . . . The Townspeople authorized the use of excise tax receipts to reduce the tax levy.

RECOMMENDATIONS . . . Emphasis should be placed on the sale of tax acquired property and settlement of tax liens as authorized by statute.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting statements fairly present the financial position of the Town at January 15, 1961, and the result of its operations for the year then ended.

MODERATOR'S REPORT

Whereas, the town voted that the moderator appoint five men to assist the assessors in revaluation work, I hereby wish to report that I found it very difficult to find five men who were willing to serve in this capacity and some of the five that did consent to serve were unable, for various reasons, to meet at all times with the committee.

This committee consisted of Walter Goodwin, Arthur Boothby, Richard Cook, William Botka, and the moderator.

This committee found over \$50,000.00 worth of taxable property over the previous year's assessments. They gave about 18 one-half days time and three full days, free gratis to the town.

We do not claim to have been able to do a perfect job. There are still several pieces of property in town that should be gone over again. Therefore, I take the liberty to recommend to the citizens of this town that they elect four or five citizens to assist the assessors in their assessing work.

Yours respectfully,

LEWIS C. BERRY,

Moderator.

VITAL STATISTICS

DEATHS — 1962

January

- 9 Harriett Bartlett, at Rumford, age 78.

February

- 15 Harold Alosco Bryant, at Turner, age 72.

March

- 1 Antomin Soucy, at Livermore, age 51.

April

- 9 Mary Alvina Sampson, at Livermore, age 74.

May

- 10 Baby Trask, at Lewiston.

June

- 11 Marion A. Blaisdell, at Livermore, age 64.

August

- 3 Maude Elizabeth Goding, at Turner, age 78.

September

- 19 Olive Marguerite Soule, at Livermore, age 64.

- 24 Raymond L. Records, at York, age 61.

- 26 Ernest C. Chicoine, at Livermore, age 63.

October

- 10 Will F. Howard, at Lewiston, age 73.

- 15 Frank Vilenius, at Togus, age 74.

- 17 Joseph Castonguay, at Farmington, fetal.

November

- 15 Joseph Wilson Dearborn, at Livermore Falls, age 52.

December

- 15 Francis E. Berry, at North Livermore, age 82.

- 16 Lotta S. Needham, at Lewiston, age 68.

There were twenty marriages reported and thirty births reported during 1962.

Respectfully submitted,

OSCAR TURNER,
Town Clerk.

Respectfully submitted,

OTHO FARRINGTON,

Treasurer.

LIBRARIAN'S REPORT

1962-1963

The town appropriation of \$200.00 was used in part for operating expenses and the purchase of 23 adult and 51 juvenile books. Eleven young adult and juvenile books were bought with the State aid money of \$20.00. The sum of \$4.02 in book fines was used to buy 3 books. In lieu of book fine money in some instances, 20 used books were accepted by the librarian.

Again during the year, neighbors and friends have given a total of 355 books. Included were 21 juvenile books. The donors are as follows:

Mrs. Esther Records, Mr. and Mrs. John Kirwan, Carleton Bailey, Livermore Falls; Alanna Pulkkinen, Mr. and Mrs. Alfred Carver, Mr. and Mrs. Milo Denny, Earline and Lynda Hines, Mrs. Charlotte Marsters, Canton; Treat Memorial Library, Livermore Falls; Maine State Library, Augusta; Canton Point Library, Mrs. Constance Dumais, Mr. and Mrs. Marshall Barbour, Mexico; Mr. and Mrs. Clarence Dresser, Turner; Avis Goodwin, Miss Eva Goding, Dr. John King, Canton; and Mrs. Louise Dixon.

One book was added to our "In Memoriam" Book Shelf, "A Man Called Peter", presented by Mrs. Jerri Sheehan, in memory of Dickie Timberlake.

Magazines received: Good Housekeeping, McCalls, Ford Times, Steelways, Tractor Farming and Food Marketing in New England.

Fireplace and furnace wood have been donated by Oscar Turner, Leslie Poland and Walter Pulkkinen.

On July 21, a food sale was held at the library, the sum of \$29.00 was realized. This money will be used toward the purchase of a table and chairs to be placed in "The Children's Room" for the 5 to 8 year group.

Much interest has been shown in our birds' egg exhibit and the many birds displayed. 4 Audubon Bird Charts have been made available for use.

Mrs. Hilda Kirwan has been elected assistant librarian and has been serving in this capacity during the year. Mrs. Esther Records and Mrs. Ruth Turner have assisted in library work when needed. Mr. Milo Denny has continued his duties as custodian. The work done by all library personnel, excepting the librarian, is on a voluntary basis, no salaries are involved.

The library was open every Wednesday afternoon, excepting July 4 and May 30. When school is in session the hours are 1:30 to 5:00 P. M.

At the annual meeting of the Livermore Library Association, the following officers were elected:

President, John Kirwan; Vice President, Grace Davenport; Secretary, Ruth Turner; Treasurer, Milo Denny; Librarian, Florence Denny; Assistant Librarian, Hilda Kirwan.

Trustees: Oscar Turner, William Irish, Myrtle Beckler, Esther Records, Wilma Irish, and Mr. and Mrs. Marshall Barbour.

There are now 6,953 books in the library. During this year, 90 adults, 107 juvenile and 37 young adult patrons are registered. The circulation from January 1, 1962, to January 1, 1963, amounted to 3,248.

At this time, I wish to take the opportunity to thank those who assisted in all phases of library work, both inside the building and out, also to those who donated the fuel for the fireplace and furnace.

Sincere appreciation and gratitude are extended to our neighbors and friends who donated so many fine books. Without this thoughtfulness of sharing with others, our readers would not have the pleasure of selecting books from such a wide variety of good reading.

Respectfully submitted,

FLORENCE M. DENNY,
Librarian.

CIVIL DEFENSE AND PUBLIC SAFETY

In March of 1962, Mr. Dwight Lamb resigned as Director of Civil Defense. The selectmen appointed Thomas Berry, but after a brief consideration he decided not to accept. Thompson Moore was then appointed. After about a month he felt he did not have the time to attend to the duties required of a Director, which are to hold monthly meetings of town personnel, attend monthly county meetings in Auburn, and all other meetings the County or State Director require the local Director to attend.

On May 14th, 1962, I was appointed local Director of Livermore. I appointed Mr. Milo Denny as Assistant Director. Other personnel are about the same as they were under Mr. Lamb.

In May a School on Welfare and Rehabilitation was attended by four of our personnel. There was also, in May, an address to County and local personnel on the Church and Civil Defense.

An eight week course on Medical Self-Help and First Aid was held in our Civil Defense quarters. There were 30 graduates from this course. In September five of our personnel attended a School on Radio Communication at County. Prior to this Verna Briggs was the only person trained to send and receive messages. Someone has to be on the air each Wednesday night from 7 P. M. to 8 P. M. to report the Radioactive Fallout readings made by Milo Denny and Theodore Berry and other messages to County headquarters. During the summer and fall it was necessary to repair our antennae and Gonset set.

In August four of our personnel went to Camp Keyes and worked on mass feeding on the Minot Mobile feeding unit. Later our personnel took our Mobile feeding unit to Augusta to the Drill Center where field activities were held. They fed about 100 for two meals. In October three of our per-

sonnel went to the Auburn Armory for mass feeding for about 40 people. This was an all day meeting on Fallout Shelters which all Local Directors were required to attend.

In the latter part of October all Local Directors, Fire Chiefs, and Police Chiefs were called to County Headquarters for a closed door session on the Cuban crisis.

I believe this covers the main events of the year and I wish to thank everyone for the fine cooperation you have given me as your Director of Civil Defense.

Respectfully submitted,

EARLE H. BECKLER,

Director of Civil Defense and Public Safety.

REPORT OF PUBLIC HEALTH NURSING SERVICE

For the Year Ending, December 31, 1962

Your public health nurse works under the direction of the Maine Department of Health and Welfare in a generalized program. This means that the nurse gives service, on a community wide basis, to babies in child health conferences, to children in the schools, and to families in their homes.

The type of public health nursing service rendered in your town must change to keep pace with changing community needs. Recently more emphasis has been placed on health care of the chronically ill and the aged in the home whenever it has been possible to work out ways for such care. It has been necessary for the nurse to teach some member of the family simple techniques in home nursing. It has been possible to assist the doctor in estimating the need for change in medication or other treatment by making careful observation of the sick person during visits, checking

blood pressure at specified intervals, and reporting to the physician. Almost daily the opportunity arose for the nurse to give guidance to someone; someone who needed to reach a doctor, someone who needed to discuss his diet and how he might make use of available foods, and perhaps most important to be a good listener to someone who needed to feel that he is needed, wanted, and loved. These are just a few instances of public health nursing services which involved much time, knowledge of resources—how and when to use them, as well as special nursing skills, none of which lends itself well to statistical reporting or other kind of measurement.

Protection against communicable diseases has been offered at all child conferences and at school immunization clinics. The number of completed immunizations given is shown in the following table:

Diseases	No. of Individuals
Diphtheria, pertussis, tetanus (in combination)	23
Tetanus	109
Poliomyelitis	247
Smallpox	51

The health council has continued to assist in the community activities including child conferences, school immunizations and examinations, and in making available some recommended corrections which could not be obtained through limited family budgets. The health council is the community group sponsoring the Future Nurses Club at Livermore Falls High School.

Appreciation is expressed to all persons in the community who have assisted in this program.

ELAINE W. MURRAY, R. N.,

Public Health Nurse.

School Calendar for 1962-1963

FIRST TERM:

Monday, September 3, 1962 to Wednesday, December 19, 1962.

SECOND TERM:

Wednesday, January 2, 1963 to Friday, February 15, 1963.

THIRD TERM:

Monday, February 25, 1963 to Friday, April 12, 1963.

FOURTH TERM:

Monday, April 22, 1963 to Friday, June 14, 1963.

REPORT OF SUPERINTENDENT OF SCHOOLS

Superintending School Committee

Helen Harris	Term expires 1963
Walter Goodwin	Term expires 1964
G. Henry Botka	Term expires 1965

Officers of the Committee

Helen Harris	Chairman
Clarence Gould	Secretary

To the Superintending School Committee and Citizens of
the Town of Livermore:

I herewith submit my annual report of the conditions,
progress and needs of the schools of Livermore.

Teachers—At the close of school last June, two vacancies had to be filled. The vacancy in the principalship at the Riverside School created by the resignation of Neil Lemieux was filled by Mr. Wayne Smith, a graduate of Farmington Teachers College, who had been teaching in Lewiston. The position left open at the Payson Smith School by the transfer of Mrs. Mosher to Riverside was filled by Mrs. Maxine King, a graduate of Farmington Teachers College, who had been teaching for several years at North Monmouth.

Mr. Shea continued his instruction of choral music in all of the schools, but the band at Riverside which was under the direction of Miss Andria Gauthier had to be discontinued because the room which was being used for that group had to be used for a classroom. Many of the children and their parents were disappointed.

Buildings—The buildings at Brettuns and North Livermore are in better than average condition. The building at North Livermore has been painted and has had a new roof during the past two years. The one at Brettuns was painted last summer, and the budget for next year anticipates a new roof for that building next summer. The building at Riverside needs to be replaced. That need has been recognized for more than two years. The facts are so well known that there is no point in enumerating them here. We have lived in the hope of joining an administrative district ever since the Sinclair Law was passed, but all attempts to form a district have failed. It seems now that the time has come to face the inevitable. Sentiment in favor of a new building has been running high for the past two years. I sincerely hope that the feelings for the large number of interested citizens will crystallize into positive action at the coming town meeting. Further procrastination will serve no purpose. The burden must be borne, and time will not lighten the load.

Finance—An examination of the financial statement shows a balance of \$10,083.30. Nearly all of that amount comes from the loss of high school students. Several families moved from town and some students left school:

<i>Moved</i>	<i>Left Livermore High School</i>
Walter Donnell	Danny Cummings
Harold Breton	Dale Robbins
Linda Breton	Charles Keene
Walter Morris	Sherry Bickford
Joyce Benson	
Robert Frost	<i>Left Leavitt</i>
Roland Bowen	James Whittermore
Trena Hamblin	Mary Gross
Norman Bryant	
John Philoon	<i>Did not attend</i>
Alicia Hall	Melvin Timberlake

School Administrative District Study—As you know, the school district study with the towns of Buckfield, Canton, Hartford, Livermore, Sumner and Turner has been completed with no results as far as the formation of a district is concerned. At the conclusion of the study, all of the committees in each town voted on whether or not to make application to the Maine State Administrative District Commission for approval to form a district. Three towns voted “yes”, and three towns voted “no”. Thus, all hopes for a district were lost. The complete report of the study is in a volume of many pages. Therefore, only part of the summary written by Chairman Rufus Prince and the list of comparative school costs as separate towns and in a district are included in this report.

SCHOOL REPORT

REPORT SUMMARY

**By the Chairman of the Six-Town District Study
Committee**

This lengthy and careful study has been pursued with one thought: to provide factual information on which the thinking people of these towns can reach decisions regarding the desirability of the formation of a School Administrative District.

Knowing that some districts have been discontented after their formation because of higher than anticipated costs, the Committee has made every effort to keep all estimates high enough to cover expenses which may develop if such a District is formed; on the other hand, we have not "padded", nor have we added any unlikely "luxuries".

Detailed reports of the several committees are presented; it is my intent to summarize very briefly in order that you may have a quick outline of the whole picture, referring to the complete report to fill in the details.

GENERAL

If a District were to be formed, it would be necessary within four years to:

- 1) Have a central High School;
- 2) Institute sub-primary classes in those towns not now conducting them;
- 3) Transport all students, including high school.

CURRICULUM Committee recommends that:

- 1) Classes for sub-primary through grades 6 be conducted in each town as at present;
- 2) As soon as possible a Junior High be established at a central point to accommodate all 7th and 8th grade pupils;
- 3) A Senior High School capable of accreditation be established at once.

Of several special recommendations for added personnel the following are budgeted:

Music Supervisor
Assistant Superintendent (Elementary
Supervisor)
Assistant Principal (High School Supervisor)
School Nurse

POPULATION Committee report indicates:

- 1) A gradual rise in 7th and 8th grade (Junior High) enrollment until 1969, then leveling off until 1973;
- 2) A steady rise in High School enrollment for the next 14 years. These figures (chart follows) do not allow for "drop-outs" nor attempt to anticipate any influx of population; they are based on actual enrollment plus pre-school surveys, which change from day to day but which are essentially sound.

It appears most likely that within ten years (by the 1972/73 school year) enrollment in a District High School would conservatively approximate 600 pupils, and might then level off for a time (to parallel levelling off of the Junior High enrollment).

BUILDING Committee concludes that the most practical approach to the classroom problem is as follows :

- 1) A new 5-room school should be built to serve Hartford and Sumner ;
- 2) Berry Hall at Leavitt Institute should be modified to accommodate a sub-primary at Turner ;
- 3) Leavitt Institute should be used for the 7th and 8th grades of Turner and Livermore, with 7th and 8th graders from Hartford and Sumner going to Buckfield or Canton until such time as a Junior High School can be built ;
- 4) A new 600 pupil Senior High School should be constructed on an available site in North Turner as soon as practicable ;
- 5) The Riverside School in Livermore and the Turner Village must remain in use for a few years after the High School is built, until it is possible to refinance and undertake their replacement.

TRANSPORTATION Committee has made no effort to establish bus routes which, like enrollment, will vary almost from day to day ; they note that, initially, the same pupils as at present will be transported to the same areas, with the following exceptions :

ADD: Sub-primary at Buckfield
Sub-primary at Turner

TRANSPORT: 7th and 8th grades from Livermore to Turner
All high school students

FINANCE Committee, with all this dumped in its lap, has labored long and hard, and has come to the following conclusions :

In the past several years, INDIVIDUAL TOWN COSTS have INCREASED an average of MORE THAN 10% per YEAR.

Assuming that this trend will continue for the next 5 years, whether we establish a district or not :

	If in a District		As Individual
	Budget	Subsidy = cost to 6 towns:	Towns, cost to 6 towns:
62/63	\$588,993.	- 194,754. = \$394,239.	\$331,586.*
63/64	\$643,513.	- 266,927. = 376,586.	332,826.
64/65	\$707,664.	- 272,725. = 433,939.	388,921.
65/66	\$776,130.	- 364,698. = 411,432.	395,052.
66/67	\$852,543.	- 364,698. = 487,845.	464,184.

* 62/63 Net Costs as Individual Towns :

Buckfield	\$ 44,570.
Canton	41,023.
Hartford	18,761.
Livermore	81,462.
Sumner	22,902.
Turner	122,868.
	<hr/>
	\$331,586.

Still assuming an annual 10% increase in operating costs, the following table is presented on an “every 4-year” basis as an indication of what might be expected, budget-wise, in each of the towns operating (a) individually and (b) as part of a District:

OPERATING AS A:	62-63		66-67		70-71	
	Town	District	Town	District	Town	District
BUCKFIELD						
Operating costs	\$ 44,570...	\$ 50,699	\$ 66,290...	\$ 62,737	\$ 93,788...	\$ 91,103

Operating, and debt retirement	22,902...	24,911	41,214...	32,716	57,518...	46,603
TURNER						
Operating costs	109,916...	141,374	161,051...	174,941	235,785...	254,040
Operating, and debt retirement	109,916...	143,622	180,411...	188,618	253,225...	268,683

As an ADMINISTRATIVE SCHOOL DISTRICT, borrowing is allowable up to 12½% of current State Valuation.

This currently amounts to	\$923,750
LESS present school indebtedness	77,250
	<hr/>
Leaving allowed borrowing	\$846,500

This amount should be nearly sufficient to build a 600 pupil high school. There has been some honest difference of opinion as to high school construction costs, but no one on the Finance Committee was willing to go on record as feeling that even a modest high school could be built and fully equipped for less than \$850,000. It may be hoped, however.

Essential construction was considered to be:

Sumner-Hartford, 5-room elementary school	\$ 70,000
Leavitt Institute alterations	20,000
New 600 pupil High School	850,000
	<hr/>
	\$940,000

While this sum (\$940,000) is greater than District borrowing capacity, the Finance Committee felt that financing could be best handled in two steps:

- (1) That two-year notes be issued to cover the \$90,000 immediate construction in Sumner and Turner;
- (2) That Bonds be issued for construction of the High School when money is needed.

In summary, it was felt that interest and debt repayment for the first years of a district, if one were to be formed, might be something like this:

1962-63	Payment on Buckfield debt		\$13,373.00
1963-64	Payment on Buckfield debt	\$ 9,975.50	
	Interest and Principal, 2-year note	47,700.00	= 57,676.00*1
<hr/>			
1964-65	Payment on Buckfield debt	\$ 9,698.00	
	Short term note	46,350.00	
	Interest, temporary High School loan	1,500.00	= 57,548.00
<hr/>			
1965-66	Payment on Buckfield debt	\$ 9,420.50	
	High School Bond retirement	32,512.00*2	= 41,933.00
<hr/>			
1966-67	Payment on Buckfield debt	\$ 9,143.00	
	High School Bond retirement	31,843.00	= 40,986.00
<hr/>			

NOTES *1 AND *2:

Portion of costs borne by each town:

Buckfield	12.86%	\$ 7,417.13	\$ 4,181.04
Canton	11.37%	6,557.76	3,696.61
Hartford	6.63%	3,823.92	2,155.55
Livermore	27.06%	15,607.13	8,797.75
Sumner	6.22%	3,587.45	2,022.25
Turner	35.86%	20,682.61	11,658.80

Ends my summary of Finance Committee work.

By way of conclusion, please forgive me the liberty of these few remarks :

Every effort has been made to keep this a truly objective study ; at no time have we tried to "sell" . . . nor to discourage . . . the idea of a District. We have been interested only in the education of our children and in its effect on local taxes. As the study has progressed we have felt (at various times) encouraged or discouraged that such a district might benefit the area.

Our early thinking was that very real local tax savings could be effected by savings in net operating costs. This has proved NOT TO BE TRUE in a time when school costs are rising each year, chiefly because the subsidy paid by the State always lags expenditures by at least two years.

As individuals and as communities, we must weigh the total dollar costs to our towns (operating + construction costs) if we

- (1) continue to operate as individual towns against the total dollar costs ;
if we
- (2) become part of an Administrative District.

Against these dollar costs, we must weigh the educational offerings we can make to our children in each case.

In comparing costs, we must be careful not to overlook the fact that transportation will be provided THROUGH HIGH SCHOOL . . . a cost presently borne by individuals.

In comparing educational offerings, we must be careful to consider some loss of identity of pupils in a larger high school, as well as the possibilities of better equipped schools, wider offerings in shop and academic subjects, better guidance, athletic and extra-curricular offerings.

My sincere thanks to Mr. Gould, in particular, and to the conscientious folks on the various committees . . . but most especially the FINANCE COMMITTEE . . . some of whom have put in hundreds of miles of travel and many, many hours of time, in and out of Committee, in order to make this a thorough and accurate guide for our thinking.

Respectfully submitted,
RUFUS PRINCE

CLARENCE N. GOULD

Superintendent of Schools

REPORT OF THE SCHOOL BUILDING COMMITTEE

Your committee discontinued meetings until the results of the district study with the towns of Buckfield, Canton, Hartford, Livermore, Sumner and Turner were reported. When it was learned that three towns had voted to make no application for approval of a district, the Livermore School Building Committee held a meeting to discuss the possibility of building a new building as a separate town.

At that time Superintendent Gould was asked to present a sketch of a building containing the minimum essentials which would provide for the immediate needs of a functional educational program. At the building committee meeting, the general plan was approved, and Mr. Gould was instructed to present it to as many groups of citizens as possible.

Since it was impossible to reach all of the interested citizens through meetings of different organizations, the sketch of the proposed building and some pertinent facts and figures have been delivered to you for your consideration. It is understood that you will have an opportunity to vote on a school building proposal at the coming town meeting.

Respectfully submitted,

G. HENRY BOTKA,
Chairman.

REPORT OF BUDGET COMMITTEE MEETING

The Annual Budget Committee Meeting was held at Payson Smith School on February 8, 1963. Leslie E. Boothby was chosen as Moderator and Oscar Turner, Clerk. The following recommendations are made:

Town charges	\$ 1,600.00

CLARENCE GOULD,
Superintendent of Schools.

WARRANT FOR TOWN MEETING

To Myrtle S. Beckler, Constable of the Town of Livermore,
County of Androscoggin and the State of Maine,

GREETINGS:

In the name of the State of Maine, you are required to notify and warn the inhabitants of the Town of Livermore, qualified by law to vote in town affairs, to assemble at the vestry of the Universalist Church in Brettun's Mills, in said town of Livermore, on the 9th day of March, A. D. 1963, at 9:00 o'clock in the forenoon, there and then to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose by ballot the following Town Officers for the ensuing year, in accordance with Sec. 2, Chap. 70 of the Public Laws of 1921 of Maine, to wit: Town Clerk, one Selectman, Assessor and Overseer of the Poor for three years, Town Treasurer, Road Commissioner, and one member of the School Board for three years.

The Polls or Ballot Box for receiving ballots for the above mentioned officers shall be closed at 1:30 P. M.

Art. 3. To see if the Town will vote to accept the reports of the several Town Officers for the year.

Art. 4. To see if the Town will vote to carry forward overdrafts and overlays to the accounts where they occur and raise necessary sums of money to cover overdrafts. No overlay to be put into Unappropriated Surplus.

Art. 5. To see what sum of money the Town will vote to raise for Town Charges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,600.00.

Art. 6. To see what sum of money the Town will vote to raise for ADC for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$3,200.00.

Art. 7. To see what sum of money the Town will vote to raise for Support of the Poor for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$14,000.00.

Art. 8. To see what sum of money the town will vote to raise for Fire Protection for the ensuing year or act anything in relation thereto.

The Budget Committee recommends \$1,500.00.

Art. 9. To see if the Town will vote to raise the sum of \$3,500.00 to pay the Loan on Fire Truck or act anything in relation thereto.

Budget Committee recommends \$3,500.00.

Art. 10. To see if the Town will vote to have the Selectmen make satisfactory arrangements with Livermore Falls Fire Department to answer fire calls, after checking with our own Department, if available, before going out, and to stand by for official call, the same charge to be made as is charged other towns or act anything in relation thereto.

Art. 11. To see if the Town will vote to have the Berry Hill Orchard Company maintain its fighting equipment, and answer fire calls or act anything in relation thereto.

Art. 12. To see what sum of money the Town will vote to raise for Tarring Roads for the ensuing year.

This money to be expended under the direction of the Tar Committee, Selectmen, and Road Commissioner, and to appoint one member of the Committee or act anything in relation thereto.

Budget Committee recommends \$5,000.00.

Art. 13. To see what sum of money the Town will vote to raise for care of Summer Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$4,000.00.

Art. 14. To see what sum of money the Town will vote to raise for Winter Roads and Bridges for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$7,000.00.

Art. 15. To see what sum of money the Town will vote to raise for State Aid Construction (in addition to the amounts regularly raised for care of Highways and Bridges) under the provisions of Section 25 and 29, Chap. 30, R. S., as amended.

Budget Committee recommends \$1,332.00.

Art. 16. To see if the Town will vote to transfer the balance in the Power Broom Account, \$5.00, to the Tar Account or act anything in relation thereto.

Art. 17. To see if the Town will vote to transfer the balance in the Snowplow Blades Account, \$235.00, to Winter Roads and Bridges or act anything in relation thereto.

Art. 18. To see if the Town will vote to raise the sum of \$50.00 for Memorial Day. \$25.00 to be expended under the

direction of the Sons of Veterans of Livermore Falls and \$25.00 to be expended by the Women's Relief Corps of Turner or act anything in relation thereto.

Budget Committee recommends \$50.00.

Art. 19. To see what sum of money the Town will vote to raise for the Livermore Public Library or act anything in relation thereto.

Budget Committee recommends \$200.00.

Art. 20. To see if the Town will vote to raise the sum of \$75.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources of the State of Maine, in accordance with the provisions of Chapter 91, Section 108 of the R. S. of 1954.

Budget Committee recommends \$75.00.

Art. 21. To see what sum of money the Town will vote to raise for care of Town Cemeteries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$300.00.

Art. 22. To see if the Town will vote to raise the sum of \$90.00 for Public Health Nursing in the Town of Livermore, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service or act anything in relation thereto.

Budget Committee recommends \$90.00.

Art. 23. To see what sum of money the town will vote to raise for Civil Defense and Public Safety for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$250.00.

Art. 24. To see what sum of money the Town will vote to raise for Town Officers' Salaries for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$3,650.00.

Art. 25. To see what sum of money the Town will vote to raise for Street Lights, Tractor House and Tool Shed Lights for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$1,300.00.

Art. 26. To see what sum of money the Town will vote to raise for School Maintenance for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$66,189.53.

Art. 27. To see what sum of money the Town will vote to raise for Repair of Schoolhouses for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$762.46.

Art. 28. To see what sum of money the Town will vote to raise for purchase of School Furniture or act anything in relation thereto.

Budget Committee recommends same as recommended in Superintendent's Account.

Art. 29. To see what sum of money the Town will vote to raise for salaries of Members of Superintending School Committee for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$75.00.

Art. 30. To see how the Town wishes to use its Excise Tax money for the ensuing year or act anything in relation thereto.

Art. 31. To see if the Town will vote to charge $\frac{1}{2}$ of 1% interest per month or fraction thereof on all unpaid taxes as of December 15th, 1963, the date on which they are due and payable or act anything in relation thereto.

Art. 32. To see if the Town will authorize its Treasurer to make Temporary Loans, said loans to be approved by the Selectmen and not to exceed the total tax levy of the preceding Municipal year in which they are made, said loans to be paid out of money raised by taxes during the current year, in which said loans are made, in accordance with provisions of Sec. 3, Chapter 5 of the R. S. and all acts amendatory thereof and additional thereto.

Art. 33. To see what sum of money the Town will vote to raise to pay the Interest on Temporary Loans.

Budget Committee recommends \$600.00.

Art. 34. To see if the Town will vote to have a Budget Committee or act anything in relation thereto.

Art. 35. To see what sum of money the Town will vote to raise for Compensation Insurance on Town Employees or act anything in relation thereto.

Budget Committee recommends \$550.00.

Art. 36. To see what sum of money the Town will vote to raise for Social Security on Town Employees.

Budget Committee recommends \$750.00.

Art. 37. To see what sum of money the Town will vote

to raise for Care of the Town Dump for the ensuing year or act anything in relation thereto.

Budget Committee recommends \$75.00.

Art. 38. To see what sum of money the Town will vote to raise for Insurance on Town Owned Property.

Budget Committee recommends \$100.00.

Art. 39. To see if the Town will vote to authorize its Selectmen to sell such Tax Lien Property as they deem advisable at Public Auction, or by advertised sealed bids, to be accepted or rejected by the Selectmen, except that which they see fit to sell to its former owner or act anything in relation thereto.

Art. 40. To see if the Town will vote to authorize its Selectmen to sell Town Owned Properties with a valuation of \$150.00, or less, at private sales or act anything in relation thereto.

Art. 41. To see if the Town will vote to have a Street Light installed on Route #108 at the intersection near the residence of Leslie B. Boothby or act anything in relation thereto.

Art. 42. To see if the Town will vote to expand the Superintending School Committee to five members or act anything in relation thereto.

Art. 43. To see if the Town will vote to authorize the Selectmen to sell the remainder of the field taken for Lakeside Annex for \$200.00, the money to be used in Lakeside Annex, or act anything in relation thereto.

Art. 44. To see if the Town will vote to have heat installed in the basement of the Brettuns School or act anything in relation thereto.

Budget Committee recommends \$200.00.

Art. 45. To see if the Town will vote to accept the provisions of the Revised Statutes of 1954, Chapter 90-A, Section 61, and authorize and direct the Board of Selectmen to appoint members of the Planning Board.

Art. 46. To see what sum, if any, the Town will vote to raise and appropriate for the Androscoggin Valley Regional Planning Commission.

Budget Commission recommends \$100.00.

Art. 47. To see if the Town will vote to accept the provisions of the Revised Statutes of 1954, Chapter 90-A, Section 64, and authorize and direct the Board of Selectmen to appoint representatives to the Androscoggin Valley Regional Planning Commission.

Art. 48. To see if the Town will vote to elect three members to serve with the Selectmen and Superintending School Committee as a Special School Building Committee.

Art. 49. To see what sum of money the Town will vote to raise and appropriate to be used for the purchase of a School Building Site and School Building Plans.

Recommended \$3,000.00.

The Selectmen hereby give notice that the Registrar of Voters will be at the Town Office on March 8th, 1963 from 2:00 P. M. to 5:00 P. M. for the purpose of correcting the list of voters.

J. LOWELL BOWLES,

EARLE H. BECKLER,

UUNO PULKKINEN,

Selectmen of Livermore.
